Mehelic fined; rule Oct. 2 whether he must leave job

FRANK MEHELIC

By SUSANNE INDELICATO
of the Press-Record

Nameoki Township Highway Commissioner Frank Mehelic, convicted of official misconduct, will keep his job—at least until Oct. 2. But a request for his removal from office will be considered that day by Madison County Chief Associate Judge Edward C. Ferguson.

On Friday afternoon, Judge Ferguson denied a petition for a temporary order that would have prevented Mehelic from serving as commissioner. The judge ruled that a quo warranto motion would be the appropriate method, if there is to be an ouster, and such a motion was filed by Assistant State's Attorney John Delaney Jr.

FERGUSON AGREED, as did both the defense and prosecution attorneys, to a stipulation that prohibits Mehelic from harassing, firing or hiring any employees without the court's permission.

The road official will continue to

work until the hearing date.

Some of Mehelic's current employees testified against him at the trial, in which he was convicted July 17 of one count of official misconduct for ordering a township mechanic to work on a personal car.

The judge was told that employees who were witnesses feared Mehelic would fire them before he leaves office.

SENTENCING took place Thursday afternoon. Mehelic was sentenced to two years of probation, ordered to devote 200 hours of public service work in the first year, and fined \$500 plus court costs and fees.

Ferguson delayed implementing the sentence, while Mehelic's attorneys appeal the conviction.

The judge disagreed with Delaney's recommendation that Mehelic immediately be required to forfeit his position as highway commissioner, saying, "Forfeiture of of-

Forum speakers say survival of school district is at stake

By BILL WINTER
of the Press-Record

Granite Cityans need to approve two school finance proposals Nov. 6 or their school district may cease to exist, several speakers said at a two-hour public forum Thursday night.

Assessor Von Dee Cruse and others voiced "100 percent support" for a \$6.6 million working cash fund bond issue and a 40-cent boost in the \$2.35 education fund rate limit.

SOME SAID THEY remain skeptical and must receive more detailed information on how the money is to be used before they will commit themselves to "Yes" votes in the election.

School Board Secretary Thomas

Miofsky agreed with several persons who said not enough data has yet been released, and he promised to urge the board tomorrow night to prepare more specific information for citizens.

Granite City Federation of Teachers Local 743—sponsor of the forum that was attended by 150 at the Granite City Township Building—pledged active cooperation with the school district and the public in encouraging support of the bond issue and rate limit change.

ISSUES ON THE BALLOT are linked to debt refinancing and basic operating funds, so that the schools can remain in operation for the full term rather than closing early, none

of the money is available for raises, the audience was told.

School Supt. Frank Kraus, unable to be present at the forum, said Friday the help of all will be welcomed in spreading the word to voters about the school election. "The issue is simple—whether we can continue to educate the students," he said.

Kraus related that facts are being assembled, including background information on the schools and also an outline of how bond and education funds are to be spent.

Shirley Stoll, Local 743 president, opened the forum. Also on the stage were the other District Nine members: the union's Salary and Policy Committee, Larry Talbert,

Loretta Woolbright, Tom Turner, Dick Huff and Gene Gunderson.

A FEDERATION STUDY showed the district is in a more precarious financial position than teachers had realized, even though they knew the outlook was serious, Huff said.

He described the two ballot topics as essential "to keep this school district viable and this community viable."

Huff said hopes for future raises—to keep pace with the inflation of the past several years—hinge mainly on legislation to increase state school aid, including possible weighting of aid criteria to help distressed districts.

ILLINOIS COULD SEND someone

from the State Office of Education to run the Granite City district, Huff replied when asked what might happen if the ballot items lose.

There also is a procedure by which parts of District Nine could be added to such districts as Collinsville, Edwardsville and Madison, he said.

"Teachers for years have suffered because school districts get their money a year late and are always trying to catch up," Huff commented. Starting school salaries are lower than in many professions, and it takes 14 years to become a "journeyman," full-salary teacher here, he added.

SINCE MOST TEACHERS work nine months but ask that their pay

be apportioned over 12 months, school districts are able to live off the funds and earn thousands of dollars in interest, he reported.

Mrs. Stoll said, in response to a question, that lottery profits go into the state general fund and do not directly affect what is appropriated for schools.

The state once funded about 48 percent of the local school budget but later this dropped to 37 percent, she added.

SAYING HE PAYS \$1,500 in yearly real estate taxes, Jim Engelage commented that he is willing to do so but that maintaining a reasonable tax level is of vital importance to

Seek '85 power rate hike

Illinois Power Company on Friday filed with the Illinois Commerce Commission a proposed increase of 19.3 percent in electric rates. Customers' electric bills would not be affected until August 1985.

The last request for a rate hike was filed in February 1982. Since the company's cost-cutting program began, it has reduced expenditures by \$90 million, allowing a delay in filing this increase request, a spokesman said.

The major part of Friday's proposal is related to phasing the cost of the Clinton power plant into the electric rates. Clinton is scheduled for fuel load about six months after the

effective date of the rate request, in early 1986.

ILLINOIS LAW allows the Commerce Commission discretion to include power plant construction costs in electric rates when a facility is within one year of producing electricity.

Including a portion of the plant's cost in rates now will decrease the total cost of the plant and save the utility's customers approximately \$400 million over the life of the plant, IP said.

The spokesman related, "Our electric rates will still be among the lowest in the state if the increase is granted. And the company's rates

will remain competitive with other utilities in the Midwest and those throughout the United States. Thirty-four of the nation's 50 largest utilities had rates higher than Illinois Power in 1983.

IF THE NEW RATES are granted, customers on the low-user rate would experience average monthly increases of \$6.23. For those low-use customers heating their homes with electricity, the average monthly increase would be \$7.19.

Typical residential customers who do not heat their homes with electricity would experience an average monthly increase of \$13.72. The

Quadrant City area residents may file to protest their 1984 assessments.

Granite City Township Assessor Von Dee Cruse warned that he does not believe the Board of Review, which hears assessment protests, will accept any protests after Tuesday's deadline. "After tomorrow, if they (homeowners) come in, it's too late," Cruse said. He noted that "the big push in Edwardsville now is to shorten the tax cycle," so he is sure late protests will be rejected.

COMPLAINT FORMS for those who wish to protest their homes' 1984 assessments are available from township assessors or the Board of

Law office robbed

An armed robber entered the law office of Nick D. Vasilief, 404 Madison Ave., Madison, at 2 p.m. Thursday and demanded money from Vasilief's secretary, Lois Hollenbeck.

Mrs. Hollenbeck, alone in the office at the time, gave the man a \$100 bill, a \$20 bill, some loose change and two men's watches—one of the watches valued at \$900—plus the watch from her wrist and about \$4 from her purse.

THE ROBBER ORDERED her to remove her rings. She was unable to get the rings off quickly due to arthritis, and he threatened her, asking, "How would you like to have your fingers blown off?"

After further unsuccessful efforts

to get her rings off, the robber told her to lie on the floor. He bound her wrists with wire coat-hangers taken from the office closet.

An accomplice entered and tried unsuccessfully to bind her ankles with coat hangers.

BOTH MEN THEN left the office. The robber was black, age 18 to 24, 5-7 in height, slender, with short hair. He wore sunglasses and his clothing included a blue T-shirt.

He displayed a blue steel, four-inch-barrel handgun. No description of the man who aided him could be obtained.

Mrs. Hollenbeck was unharmed other than receiving a few bruises. Vasilief was in Springfield on business at the time of the robbery.

Venice day care center

By SUSAN SIGNAIGO-WEICH
of the Press-Record

Venice Park Board members approved a tentative agreement Thursday night that will allow the Madison County Urban League to use the Venice Recreation Center facility as a day care center.

Walter F. Walker, executive director of the Urban League, presented a formal request to the board at the meeting, saying that the recreation center will only be used on an interim basis.

WALKER SAID that the Urban League is investigating the use of a local church as a permanent site for the child care center, but that the church facilities are in need of major renovation. He estimated that the child care center will only be in operation at the recreation center until Dec. 24.

He said the day care center will serve a maximum of 30 children with students ranging from the age of 6 months to 12 years. He said that

enrollees' parents will have to meet job guidelines established by Children and Family Services. "The parents will have to either be working or taking classes to learn a job skill while their children are at the center," Walker said.

Walker said the Urban League hopes to enroll six infant-toddler students and 24 pre-schoolers into the program. He said the center hours will be 6:30 a.m. to 5:30 p.m. Mondays through Fridays. The center will be closed on 13 legal holidays.

HE TOLD BOARD members that the center will employ up to seven people. He said the board will be in charge of hiring the employees and that he is in favor of hiring Venice residents, if they meet child care center qualifications.

Walker said the hiring of personnel will go as follows: for up to 15 students, three workers will be hired, for 16 to 25 students, five per-

GC teachers ratify new contract

Granite City teachers by a 191 to 28 vote Friday evening ratified a two-year contract. They had been on strike for 11 school days, from Aug. 27 through Sept. 11.

The agreement, achieved at 1 a.m. Sept. 12, will be considered for ratification by the Board of Education tomorrow night.

It calls for lost days, other than six emergency days, to be made up by the teachers.

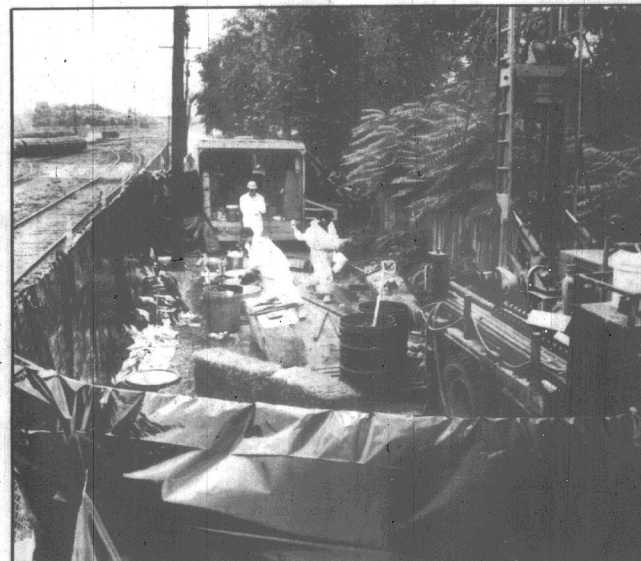

THE PAY SCHEDULE was not increased or altered, but pay and insurance clauses can be reopened for talks next July 1, with a Dec. 31, 1985, deadline.

"We believe we maintained and

strengthened our contract," Mrs. Shirley Stoll, president of Teachers Local 743, told the Press-Record during the weekend.

(For the first time, the contract contains language related to the protection of teachers' seniority. This is a major gain for us.)

STUDENTS REPORTED Thursday, with 8,590 in attendance, and the turnout has increased since then. Class sizes will be evaluated after the sixth day, Sept. 20, in deciding whether any more teachers need to be recalled from the list of those honorably dismissed earlier due to enrollment decreases and financial factors.

SHROUD OF SECRECY. Workers for Ecology and Environment Inc., Buffalo, N.Y., drill the last of 12 monitoring well points in the alley between the Jenison-Wright Corp. creosote plant and Missouri Avenue in the 2100 block. A spokesman for the New York firm said the 12 ground-water monitoring sites are all in the area of the creosote plant in West Granite, but would not say why the work was being done within an 8-foot-high wall of black plastic.

Fiesta Independence Celebration set for this weekend

The annual Fiesta Independence Celebration will be staged at 8 p.m. Saturday, Sept. 22, at the Mexican Honorary Commission Hall, 1801 Spruce St. Guest of honor for the event will be Jose Aguirre Noriega, consul of Mexico in St. Louis.

The fiesta, commemorating the 174th anniversary of Independence of Mexico, will be open to the public. The event, which is sponsored by the Mexican Honorary Commission, features a colorful variety show, spotlighting the talents of local youth. This year the show will be highlighted by traditional dances performed by more than 25 local youngsters and adults wearing gaily colored ensembles, reproduced in the decor of old Mexico.

Numbers performed by the dancers will include: "Las Chapaneas, Jarabe, Zapoteca, La Negra, Colas, La Botella, Tilingo

Lingo, Los Tarascos, Espana Cani" and the traditional Mexican Hat Dance, "Jarabe Tapatillo." The youthful and adult performers in the event are: Angela Serrano, Nina Sarrano, Janet Serrano, Christie Wheatley, Nona Mofford, Anastasia Rae, Emily Slitch, Andrea Valencia, Joseph Martinez and Raymond Grieve.

Robert Valencia, Mike Garcia, Amy Donaldson, Becky Garcia, Michelle Wheatley, Sherri Burris, Becky Antoff, Kathy Moore, Ron Grim and Wesley Grim.

Richard Valencia, John Pastoriza, Salvador Toro, Sarita Garcia, Toni Short, Debbie Thick and Shannon Short.

Co-directors of the artistic group are Vicki Slitch and Kathy Moore. Ron Grim is in charge of costuming.

After the variety show, fiesta

goers will be entertained by the musical group Fantasia. Refreshments and authentic Mexican dishes will be served.

Ofelia Antoff will be the Mistress of Ceremonies. Members of the local honorary commission who are heading various committees for the fiesta include: Theresa Ybarra Donaldson, kitchen committee; Rich Serrano, bar committee; and the decoration committee will consist of the members of the artistic group.

Admission will be \$3.50 per adult and \$2.50 for children ages 4 through 12. Tickets may be obtained at the door Saturday night.

FIESTA PERFORMERS. Performing traditional Mexican folk dances are Wesley Grim, Kathy Moore, Sarita Garcia and Ron Grim. These dancers will be among 25 local people who will entertain those attending the Mexican Honorary Commission Fiesta on Sept. 22. The event will commemorate Mexico's 174th anniversary of independence.

REESE PRESCRIPTION DRUGS

Coping with students' head lice

By FRED H. UHLIG
Acting Director
Ill. Department of
Public Health

Shortly after the beginning of school, children start coming home with the symptoms of head lice. In fact, infestation of head lice is almost endemic throughout Illinois schools.

It has been known for many years that head lice are spread by contact—not by uncleanliness.

Since there is a lot of body contact between school children, you may want to clip this article. Then, you will be ready to combat an infestation should your child suddenly start scratching furiously at his or her head.

What are the symptoms of head lice? Scratching of the scalp is the first clue. The itching is usually persistent and sometimes severe. The bite wounds may be present anywhere on the scalp, but the back of the head and neck and behind the ears should be checked first. Head lice seldom occur on eyebrows or eyelashes.

Scrubbing will increase the inflammation and may lead to secondary bacterial infection. The eggs (nits) appear as whitish ovals firmly attached to the hair shafts.

If you find any nits within a half-inch of the scalp, this indicates an infestation unless treatment has been given within the past ten days.

Head lice crawl; they do not jump or fly.

They are transferred from one person to another by direct contact with an infested person's head or hair, or by contact with hair brushes, combs or bedding.

An infestation will last as long as live nits are present on the head. The incubation period for nits ranges from seven to 10 days. After they hatch, head lice become egg-eating adults in 10 days. The life span of an

adult louse ranges up to 30 days.

There are prescription and special over-the-counter shampoos that will get rid of head lice. One is as effective as the other if applied according to the instructions.

A single application of shampoo may not be effective, therefore, the state health department recommends that infested patients and all members of their household be treated twice.

In order to kill any newly-hatched lice, the interval between shampoos should be seven to 10 days. The proposed procedure starts with removing all the clothing of the person to be treated. Shampoo the hair as directed on the label of the product. After shampooing and bathing, have the person put on clean clothes. Everyone in the household must be treated on the same day.

It isn't enough for household members to rid themselves of head lice. The home also must undergo a thorough cleaning.

BATTERY IS ALLEGED IN TAVERN INCIDENT

Odessa D. Pickles, 60, of 2901 Denver Ave., was taken into custody there last week following an incident in the Tip Top Tavern, 18th and State streets in which another woman was stuck, it was alleged.

Rita Schmidt, of Collinsville, landlord of property in the 1900 block of Grand Avenue, said Mrs. Pickles was a former tenant and she went to the tavern to retrieve a set of keys. Mrs. Pickles alleged cursed and struck Mrs. Schmidt's face, and when Mrs. Schmidt pushed her away, Mrs. Pickles swung a cane in her direction, it was alleged.

Mrs. Pickles was escorted from her home back to the tavern and the complaint against her was signed. She was released after posting a \$52 cash bond.

GC students are semifinalists for annual merit scholarships

Some 15,000 high school seniors representing all 50 states have been named as semifinalists in the 30th annual Merit Program, which is conducted by National Merit Scholarship Corporation (NMSC).

Among those competing for a finalist standing are Kenneth J. Dauer, David J. Menendez and Pamela K. Robeff, all of Granite City High School. Dauer has indicated that he will major in engineering in college, while Menendez and Miss Robeff have indicated that they will take pre-medicine courses in college.

They are among students who must advance to finalist standing to continue in competition for about 5,500 Merit Scholarships, valued at over \$20 million, to be awarded in the spring of 1985.

Three distinctly different types of awards will be offered, according to NMSC officials. Every finalist will be considered for one of the single-payment national awards that are allocated by the state in numbers proportional to each state's percentage of the total U.S. high school graduating class. Winners of that scholarship will be those judged to have the strongest combination of academic and extracurricular accomplishments. In 1985, these nonrenewable awards will be increased in value from \$1,000 to \$2,000, and 1,800 will be offered. More than a third of them will be sponsored by corporate organizations that also finance four-year scholarships; the remainder will be underwritten with NMSC's own funds.

Only finalists who meet preferential criteria of the award grantors will compete for about 3,700 four-year Merit Scholarships of two types. About 1,400 will be corporate-sponsored awards which provide between \$500 and \$2,000 per year. Corporate sponsors may specify that their four-year scholarships go to finalists who are children of their employees, residents of an area served by the sponsor, or students with career goals the company or business organization wishes to encourage.

The remaining 2,300 four-year Merit Scholarships will be financed by colleges and universities for finalists who will attend their institutions. Winners of these awards receive stipends ranging from \$250 to \$2,000 for each undergraduate year of study at the sponsor college. The 1985 competition began last fall when more than a million juniors attending some 16,000 secondary schools throughout the nation took the qualifying test, the Preliminary Scholastic Aptitude Test.

National Merit Scholarship Qualifying Test

The top scorers in each state, representing about half of one percent of the state's high school graduating class, are named semifinalists.

To be considered for Merit Scholarships, semifinalists must become finalists by documenting high academic performance throughout high school, receiving the unqualified recommendation and endorsement of their principals and confirming their earlier PSAT-NMSQT scores on the Scholastic Aptitude Test.

They also must provide information about themselves, including school and community activities and achievements, interest and goals.

More than 13,500 of the semifinalists are expected to meet the standards required to become finalists, and about 40 percent of the finalists will be offered Merit Scholarships.

TRAFFIC STOP RESULTS IN WARRANTS SERVED

Everett E. Welch, 42, of Mount Vernon, stopped by a traffic violator for a traffic violation at the nine-mile marker on Interstate 64 earlier this month, was found to have two active warrants against him on file in Granite City.

Welch was turned over to local authorities on warrants alleging revocation of probation and failure to appear in court on a charge of battery.

He appeared in the Granite City court and Associate Judge Nicholas G. Byron set bond at \$100. A mittimus was to be issued, but Welch later posted the cash bond and was released to appear at a later date.

many people, including retired persons who live on fixed incomes.

He said numerous people may lack confidence in the district, and emphasized that before they vote for added taxes—"you will have to assure our community that this program is going to work."

Mrs. Stoll agreed that teachers and others want and need citizens' help in trying to meet school needs, and said they plan to conduct additional public forums.

HUFF SAID IT IS IMPORTANT to limit taxes to an affordable level. He cited a comparison listing average class size of 21.3 students in Granite City, 18.6 in Alton, 18.4 in Belleville, 18.3 in Edwardsville, 17.9 in Collinsville and 16.6 students per class in East St. Louis. The latter district receives massive state aid under a special formula not available to most districts.

MacK Johnson urged that detailed plans be announced regarding school building sales, the education fund, working cash fund, interest costs and the bond retirement schedule.

Huff said the tax cost to home owners should be considered along with the probable alternative—a general decrease in property values throughout District Nine.

A woman in the audience said she would rather pay property taxes to Granite City schools than to some other district that might operate the schools here.

ALEX TOTH SAID his yearly real estate tax bill has risen over the past 30 years from \$129 to more than \$1,000 even though he has not moved and "my house hasn't gotten any better." He related that he is retired and expects to receive no increase in income with which to pay higher taxes.

Toth described teachers' fringe benefits and was told by some in the audience that he was exaggerating them. He asserted extra costs should not be put on "the backs of taxpayers" and said it is "time for teachers to give a little."

Alan Crider of the Board of Education said, "This district has had many problems, and the teachers have given a great deal." He said the district is required to budget a year before determining many of the

fiscal facts that affect the budget.

ERIC ROBERTSON SAID that, instead of worrying about "who put the hole in the bottom of the boat," it is necessary that Granite City concentrate on "bailing out the water."

The public must share some of the blame for financial problems because it rejected a school tax proposal related to building upkeep several years ago, Robertson remarked. "There has been no education tax rate increase since 1969, he noted.

Robertson urged voluntary effort to encourage public approval of the Nov. 6 school proposals. "I don't intend to leave this district," he reported in warning that failure to resolve school finances could prompt some residents to move.

Mrs. Donna Haynes called for increased authority for teachers to enforce student discipline.

ESTIMATES GIVEN at the forum were that the tax rate impact Nov. 6 would be 75 to 85 cents per \$100 valuation.

Some speakers mentioned that, compared to the \$3,200 yearly cost of educating a typical Illinois public school student, District Nine's taxation of local families is a bargain.

Others said that the cost of public schools here is well below what a family pays for parochial school tuition.

JIM ASH SAID the cost that the public is being asked to meet is "chicken feed" but that each taxpayer needs to be able to see "what I'm getting for my money." At present, he said, "I don't see what I'm getting."

Talbert responded that the extra \$175 that some families might pay is needed to provide long-term retirement of existing operating debt.

Other members of the teacher committee said in reply to questions from the audience that their new contract does not raise pay or costs, and there were no tax savings from the 11-day strike because the faculty will work for a full term.

GUNDERSON TOLD the gathering that teachers have borne part of the burden of the financial crisis. He noted that Local 743 has accepted pay freezes, fewer teaching jobs and larger classes.

Regarding whether teachers are overpaid, several said they are able to earn bigger monthly pay during the summer in other types of work. Although they do not expect the same income as doctors and lawyers, their profession and its effectiveness are essential if a community is to attract residents and business activity, the audience was told.

GARY MORGAN, a teacher, stressed that faculty members are devoted to the betterment of the local community and are highly dedicated to their careers of educating young people.

He warned against following in the footsteps of St. Louis County community where tax support faltered, "teachers left in droves," and the caliber of the schools deteriorated. In such a situation, many people "sold their houses for less than they bought them," he said.

Board Member Mofsky said past budget balancing was hampered by reductions in state aid, a decrease in the overall assessed valuation and the 2-1 defeat of a 1980 school referendum.

BOARD MEMBER CRIDER, a junior high school teacher in St. Louis County, said the point has been reached in District Nine that any further financial problems could cause "a significant decrease in the quality of education."

Johnson returned to a microphone to say that, instead of paying an additional \$175, families which change to non-public schools may encounter yearly costs of \$900 to \$4,000, averaging about \$1,800.

Noting his age of 37 and his son's age of five years, he said adults cannot instantly solve all future problems but do have an obligation to maintain quality school systems. He added that, in hindsight, it is clear that the district overextended its facilities.

SOME SPEAKERS alleged that "past mismanagement" added to the school woes, and one woman questioned the decision to add a new sport, high school girls' soccer, in 1984-85.

She was told that the sport is strongly desired by students, that the cost is minimal and that there have been contributions for it, such as \$1,000 from Granite City Steel.

The board's initial decision to issue bonds without scheduling an election was assailed during the forum; citizens' petitions since then have placed the proposal on the ballot.

rate for each governmental taxing body is applied against the assessment to determine the tax bills.

Tuesday's deadline does not coincide with the deadline for filing tax protests. County Treasurer Mick Henkhaus said Friday. Henkhaus said that persons protesting their taxes may do so at his office up until the date the first installment is due to be paid. There is a \$25 fee for filing a tax protest.

Quad-Cityans also began receiving their tax bills late last week, which have increased the number of calls Cruse's office is receiving.

TUESDAY'S deadline is 30 days after the legal publication of the notice that assessments have been set. Persons protesting their assessments may fill out the forms at their assessors' offices and will have to appear personally before the Board of Review in Edwardsville to explain why they feel their homes are improperly assessed.

Assessments, by law, are supposed to reflect one-third of the fair market value of each home. The tax

average monthly rise would be \$17.60 for the typical customer who does heat with electricity.

During the last five years, 1978-83, Illinois Power's electric prices increased by one percent above the rate of inflation annually. For the next five-year period, 1983-88, the company expects electric prices to increase at a rate of three to four percent above the rate of inflation annually.

From 1988 to 1993, prices are expected to be one percent to two percent below the rate of inflation.

IF CHAIRMAN and President Wendell J. Kelley summarized key points about the impact of the requested rate increase:

"1. Our electric rates will continue to be among the lowest in the state, the Midwest and most of the rest of the nation.

"2. By increasing electric rates with this filing, we can reduce the rates our customers will ultimately be required to pay when Clinton is completed.

"3. **WITH CLINTON** on line, we can assure our customers of adequate and reliable electric service regardless of further restrictions on the use of Illinois coal, or whatever happens to the price and supply of oil and alternate fuels. New sources of energy cannot help much in this century.

"4. Clinton will be an environmentally clean source of electricity—meeting the most stringent requirements for safety and reliability.

No increase in natural gas rates was proposed in Friday's request. The commission currently is conducting hearings on a proposal by the company May 15 to reduce gas rates by \$13.9 million.

Venice water slide advances

Venice Park Board President Arnold Johnson told board members Thursday night that the district plans to conduct groundbreaking ceremonies for the Lee Park water slide project sometime in October. Actual construction of the slide will not begin until March or April next year, however.

The board approved the sale of \$200,000 bonds for the project at a special meeting on Sept. 1.

PAUL LAUBER, attorney for the district, said some board members are required to sign signature certificates for the bonds and then these certificates will be sent to Chapman and Cutler, a bond council in Chicago. The bonds will then be printed up and sold and the Venice Park District will receive the money.

Lauber said he is not sure how long the printing process will take, but he said monies should be available for an October groundbreaking.

Park board officials voted in January 1983 to bring the bond issue proposal to a referendum and the plan was approved by residents by a 605 to 536 vote.

THE WATER SLIDE project not only includes a twisting water slide that will cost \$85,000, but also construction of a combination bathhouse and concession building (\$35,000) and adult bumper boat area (\$15,000 to \$25,000).

Some of the funds also will be used to renovate the tennis courts, playground area and ball diamond (\$50,000 total).

The bonds should cost taxpayers about 31 cents per \$100 assessed property valuation in 1984, if the assessment for the park district (\$17 million) stays the same. If the park assessment remains at its current level, the cost to taxpayers should lower every year, with an average cost of 23 cents per \$100 assessed valuation for the issue's seven year duration.

THE COST WILL be offset to an extent, however, because bonds used to finance the recreation center are expiring. These bonds now cost taxpayers 10 cents per \$100 assessed valuation.

Time to end downtown eyesores

Several months ago, the Press-Record commented on several problems in the downtown Granite City area. The editorial drew a great deal of response, but little action.

It is good news that a planner is to be hired for downtown revitalization, but his primary task will be long-range planning for a nicer downtown, an area more pleasant to visit and shop.

Short-term problems persist and need immediate attention. When the Steinberg Furniture store on the corner of 19th Street and Edison Avenue burned, we pleaded with the city April 5 not to allow it to remain a downtown eyesore indefinitely. Nothing has changed in more than five months. We understand that there are insurance settlements and other problems after a fire, but the rubble of the burned structure further deteriorates the general appearance and public perception of the downtown area and removal of the structure should be given a high priority immediately.

Since then, the brick front over Dacor Photo has tumbled to the ground, leaving loose bricks on the top which make the sidewalk underneath unsafe. Dacor, which rents the property, has constructed a covered walkway to its store to protect customers, but there have been no substantial repairs and another eyesore remains with the sidewalk roped off.

The vacant lot at 19th Street and Delmar Avenue, the subject of a great deal of discussion over the years, still sits idle, a linoleum floor in the grass the only reminder that a store once stood there. It was a fire, like the Steinberg fire, which left that lot a nearly permanent eyesore.

If the downtown area is to survive, both short-term and long-range planning must be utilized. The city should act immediately to force the owners of the buildings to remove the burned out structure and repair the dangerous eyesores. Entryways of seldom used stores should be kept clean or the city should take steps to see that trash and litter are not allowed to accumulate.

There are laws on the books to raze dilapidated and burned out structures and to force owners to keep their properties clean. Since many of the owners are Missourians, it may not seem worth the effort to the city, but it is more than worth the effort. It is essential to the survival of downtown Granite City.

A tip of the hat to the many downtown property owners who have kept their stores neat and with attractive exteriors. There are several of them. We are sure they, too, would appreciate the city acting against those who do not keep their property up and who tarnish the entire image of the downtown area.

Railroads again to span nation

Quad-Cityans vividly recall learning in school how a golden spike was driven to link our continent by railroad tracks, accelerating westward expansion of the nation in the previous century.

Now, one of the railway owners serving this community, Norfolk Southern, hopes to span America once again to further improve life in these United States.

That corporation and Santa Fe Southern Pacific Corp. said Thursday they will construct and operate a transcontinental fiber optic system along the right-of-way of their railroad affiliates. Regulatory approval is pending.

Their goal is to more fully utilize the right-of-way assets while allowing the companies to participate in the fast-growing telecommunications industry. Norfolk Southern is the parent firm of Norfolk & Western Railway and Southern Railway. Santa Fe

Southern Pacific owns the Atchison, Topeka and Santa Fe Railway and beneficial interest in Southern Pacific Transportation Co.

The new enterprise, known as Fibertrak, calls for a fiber optic network of 5,000 miles connecting 53 cities coast-to-coast. The service area would include more than 80 percent of the U.S. population and the network could handle 300,000 simultaneous voice transmissions. It is to be offered on a wholesale basis to telecommunications carriers.

The network will use state-of-the-art fiber optic systems and is designed to permit expanded capacity as new technology becomes available.

The development of fiber optic long has been heralded as a major breakthrough, and this increased utilization of railroad roadbeds appears to make a lot of sense, just as rail sites once "blazed the pioneering trail" for highways and telegraph wires.

Bi-State introduces new pass

The Bi-State Transit Division of the Bi-State Development Agency has begun sales of a new Commuter Pass through selected pass outlets in the St. Louis metropolitan area.

The new pass, a 1-ride punch ticket, is designed for use on express or rapid bus routes and is sold for an introductory price of \$9, a \$1 savings. The Commuter Pass is valid for periods up to 90 days.

The Commuter Pass is designed for bus riders who take one express

or rapid bus to and from work several days a week," explained Michael H. Setzer, general manager of transit. "These commuters will have the ease of using a pass to board their buses while having the benefit of an extended validity period."

Another Bi-State pass available is the Weekly Pass, valid for a one-week period from Monday through Sunday with unlimited rides during that time. That pass is suited to

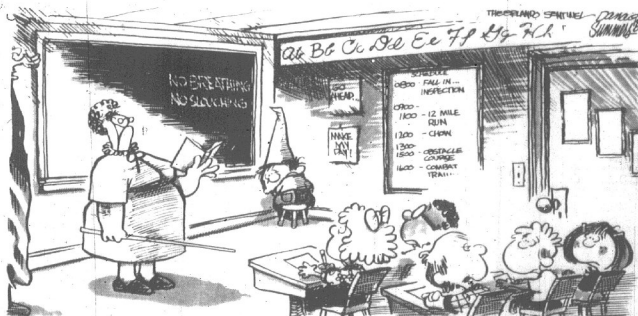

riders who take more than one bus to and from their destinations or who use the bus as their sole source of transportation to work, entertainment or shopping.

The new Commuter Pass is available in 61 pass outlets throughout the area, including selected Kroger, National and Schmeck's food stores and major downtown St. Louis banks. Weekly Passes are available through these outlets and approximately 140 other pass outlets in the St. Louis area.

Those views did not end with Carter's defeat. Carter's partner, Walter Mondale, continues those pessimistic and ridiculous ideas. Their convention in San Francisco was like a wake for America. They tried to tell us about their traditional family values. What are these values — gay rights, abortion, busing and racial quotas on the job, not very traditional?

Johnston said Reagan was not qualified for the presidency. Our founding fathers set down three qualifications for the office. Reagan meets all three. If those qualifications are good enough for our founding fathers, why are they not good enough for you? Read your Constitution, Mr. Johnston.

Reagan's record speaks for itself. Inflation's down to four percent, interest rates down to 13 percent and unemployment at 7.5 percent.

"MAYBE WE'LL GET LUCKY AND NASA WILL PICK MISS BLUTHERS TO SEND INTO SPACE."

Back to school

Granite City students were asked last week if they are happy to be back in school after more than a two-week delay due to a teacher's strike. Their reactions follow.

Joey Kostoff, 8th grader

"Yes, I'm glad to be back in school. Now we won't have to carry over so many days of school into next summer. And classes were OK today."

Danny Bunker, 7th grader

"I'm glad to be back. It was nice to have a long summer but it wouldn't have been very good if we would have had to carry these extra days over and have a shorter summer next year."

Jema Gonzales, 11th grader

"I'm definitely glad to be back. The summer was really getting boring. One of two things would have happened if we would have stayed out longer — either we would have had to make up those extra days or we would have missed out on academics. I'm not too thrilled about either of those prospects."

Dineen Griffin, 11th grader

"In a way it's good to be back in school, but I wouldn't have minded it a bit if summer would have lasted a little longer."

Disagrees with attack on President Reagan

To the Editor,

A Forum letter from Mr. Johnston needs to be answered. He appears to be satisfied to attack and demean our President's character. It is too bad he could not stick to the issues.

He went on to say we would be better off with a Democrat in the White House. How soon we forget. Remember our last Democrat president, Jimmy Carter? The country was reeling from 12.5 percent inflation, 20.5 percent interest rates, and 7.5 percent unemployment.

Carter even suggested there was a malaise over America and that we could achieve no more. Ronald Reagan did not believe that and neither did America.

Those views did not end with Carter's defeat. Carter's partner, Walter Mondale, continues those

pessimistic and ridiculous ideas. Their convention in San Francisco was like a wake for America. They tried to tell us about their traditional family values. What are these values — gay rights, abortion, busing and racial quotas on the job, not very traditional?

Johnston said Reagan was not qualified for the presidency. Our founding fathers set down three qualifications for the office. Reagan meets all three. If those qualifications are good enough for our founding fathers, why are they not good enough for you? Read your Constitution, Mr. Johnston.

Reagan's record speaks for itself. Inflation's down to four percent, interest rates down to 13 percent and unemployment at 7.5 percent.

However, 165 million Americans are at work. That's a record for employment.

The idea Democrats create jobs is false. Carter's presidency saw unemployment rise from 5 percent to 7.5 percent. Today, Americans are buying homes and autos in record numbers. The best thing to come from the Reagan presidency is not a statistic, but a feeling — a feeling America is back and standing tall.

The choice is November is clear. A choice between continuing the Reagan recovery in America or returning to gloom and doom type policies of the Carter-Mondale administration.

State establishes merit scholarships

Top-ranked graduating high school students who choose to attend colleges and universities in Illinois will be eligible for up to \$1,000 in grants under a new merit scholarship program signed into law by Governor James T. Thompson last week.

Illinois has one of the finest higher education systems in the country," the governor said. "We also have some of the brightest students in the nation — and we want to keep them right here in Illinois. This legislation will encourage our most talented students to pursue a

college education and remain close to home to obtain the best education possible."

House Bill 2400 creates a new merit scholarship program, which would provide \$500 academic awards for up to two years to the top five percent of the graduating class of each high school in Illinois. Students who apply within a year of graduation to an eligible Illinois school will be considered for grants.

Grants will be awarded without consideration of financial need and the program has no effect on other loans or grants for which students qualify.

An estimated 4,500 awards will be granted annually by the Illinois State Scholarship Commission. Cost of the program in the first year is estimated at \$2.2 million and \$4.5 million for the second year.

"This is a program which is supported by the Board of Higher Education," said William B. Browder, board chairman. "We believe it is a significant way to recognize achievement in high school studies and will serve as an incentive for high school students to excel in their academic work."

The measure takes effect July 1, 1995.

IDPA provides flu vaccines for seniors

The Illinois Department of Public Aid will provide flu vaccines for more than 60,000 senior citizens throughout the state, IDPA director Gregory L. Coler said.

The influenza vaccine will go to elderly persons receiving Medicaid in about 750 nursing homes in Illinois. Public Aid has sent forms to all nursing homes in the state and will start shipping the vaccine in late September, before flu season begins, Coler said.

"Elderly people are the most susceptible to influenza, especially if they are already ill," Coler said. "We will make the vaccine available free to every senior citizen on Medicaid in every nursing home in the state."

He said the vaccine will be distributed in time to vaccinate every senior citizen who wants a shot before the flu season begins.

The Federal Center for Disease Control in Atlanta says the flu season starts in early October.

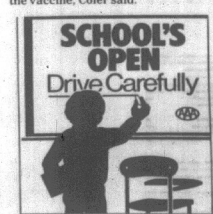

The free vaccination program will cost Public Aid about \$140,000, but Coler said that the state will save money if the vaccine keeps senior citizens healthy. "We'll save about half a million dollars that we would have spent on doctors, hospitals and drugs if Medicaid patients in nursing homes catch the flu this fall, so the program more than pays for itself," he said.

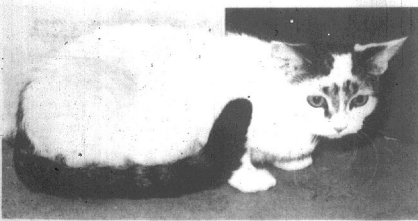

Coler added that Public Aid is adding 130 persons, mostly nurses, to its nursing staff this year to inspect nursing homes that receive state funds.

"We intend to ensure that all the senior citizens who are receiving Medicaid in a nursing home are receiving the high quality of care the taxpayers are paying for — not only

during the flu season, but every day of the year," Coler said.

The Illinois Department of Public Health is cooperating in the flu vaccine program by providing facilities and staff to help with distribution of the vaccine, Coler said.

OFFICERS GET TRAINING

Norma Meyer of Edwardsville, president of the Madison County Homemakers Extension Association, presided at the organization's Officer Training School held recently at the county Extension office in Edwardsville. She was assisted in teaching the workshop by the HEA Board officers, Bernice Adams of Troy; Gloria Knezik of Dorsey; Martha McIlvory of Granite City; Sarah Bequette of Edwardsville; Anna Reising of Hamel; and Mildred Dreesch of Alhambra.

The purpose of HEA is to assist the University of Illinois Cooperative Extension Service in sponsoring an educational program in home economics for county residents.

County may join GC Steel assessment battle this week

The Madison County Board will decide Wednesday morning whether to join with other taxing bodies in hiring an appraiser to help fight Granite City Steel's protest of its property tax assessment.

Quad-City area taxing bodies, headed by the Granite City School District, are sharing the cost of reassessing Granite City Steel's property to gather information to be used to fight the company's request for a large decrease in its assessment. The cost of the fight is to be shared proportionately by the taxing bodies on the basis of the number of tax dollars each receives from the steel mill.

The county board is to meet at 9:30 a.m. Wednesday in the basement of the Madison County Courthouse in the square in downtown Edwardsville.

Other business on the board's agenda includes a reduction in the user rates for those in special service area number one; the county's sanitary sewer district in Nameoki, Chouteau and parts of Venice townships. No resolution was available when the board's agenda was printed so details of the proposed reduction were not available.

The board also is expected to consider ratification of a new agreement with the American Federation

of State, County and Municipal Employees (AFSCME), Local 799, which represents most county employees outside of the sheriff's department.

Also on the agenda is a resolution requesting the Illinois General Assembly to support legislation eliminating requirements that Social Security and retirement benefits to the elderly be taxed.

A recommendation from the board's legislative committee is to be studied and the board asked to adopt final rules and procedures to implement the Freedom of Information (FOI) Act requirements.

Also at the meeting, the county

Obituaries

Diane Biggs

Mrs. Diane L. (Converse) Biggs, 31, of 2540 Parkway Drive, Apt. 4, died at St. Mary's Health Center in Richmond Heights, Mo., at 7 p.m. Friday, Sept. 14, 1984. She was 11 weeks and in the hospital for the same period of time.

Born May 26, 1953, in Granite City, Mrs. Biggs was a lifetime resident here.

She was employed the past year as a meat packer at Holter's Meat Co., East St. Louis. Previously, she worked in the central supply department at St. Elizabeth Medical Center.

Mrs. Biggs was of the Protestant faith. Among the survivors are a daughter, Renee Biggs of Granite City; and her mother, Mrs. Amelia Converse of Granite City. Her father, Farrell Converse, is deceased.

Visitation begins at 6 p.m. Monday at Mercer Mortuary, 1416 Niedringhaus Ave., where services will take place at 10 a.m. Tuesday, Sept. 18, with the Rev. Jeff Davis officiating. Burial will be in Valley View Cemetery, Edwardsville Township.

Eldon DePew

Eldon J. DePew, 63, of 2302 E. 25th St., was pronounced dead at home at 4:30 p.m. Sunday, Sept. 16, 1984, by Randall Irwin, Madison County deputy coroner. Mr. DePew is believed to have died of natural causes, as there were no signs of foul play, according to Irwin.

Born in Joplin, Mo., Mr. DePew lived in this area 45 years. He was employed by Illinois Power Co. for 30 years and retired in 1962 as a lineman foreman.

Mr. DePew was of the Protestant faith. His wife, Mrs. Ann DePew, died in 1962.

Survivors include one son, Eldon DePew, Granite City; a half brother, James Christine of Mississippi; four grandchildren and one great-grandchild.

Funeral arrangements are pending at Irwin Chapel for Funerals, 2801 Madison Ave., telephone 677-6500.

Maude Feeney

Mrs. Maude L. Feeney, 91, of Chandler, Ariz., formerly of Granite City, died Tuesday, Sept. 11, 1984, at a nursing home in Chandler.

Mrs. Feeney was born in Granite City and resided here until moving to Arizona eight years ago. Her survivors include four sons, Thomas Feeney Jr. of St. Petersburg, Fla.; Patrick Feeney of Texas; George Feeney of Granite City; and Gary Feeney of Mexico; four daughters, Mrs. Jane Myers of California; Carol Keador Doris Robinson, both of Arizona; and Betty Mathenia of Granite City; one sister, Mrs. Pauline Laney of Granite City; and many grandchildren, great-grandchildren and great-great-grandchildren.

She was preceded in death by her husband, Thomas Feeney Sr., and three daughters, Imogene Potter, Alice Wilson and Emma Feeney.

Her remains were cremated in Arizona and graveside services will take place at 1 p.m. Tuesday, Sept. 18, at St. John Cemetery, 2901 Nameoki Road, Granite City, the Rev. George Ankaro officiating.

John Getz Sr.

John J. Getz Sr., 74, of 4006 Kirkpatrick Homes, a lifelong resident of the Quad-City area, was found in his bed without signs of life at 3:40 a.m. Friday. He was pronounced dead at the scene by William Sternberg, Madison County deputy coroner, at 4:05 a.m. Sept. 14, 1984.

Mr. Getz had been ill with cancer for 18 months, according to a family spokesman, and was released Sept. 7 from St. Elizabeth Medical Center, where he was treated by a local doctor.

He was of the Protestant faith and was a veteran of the U.S. Army, having served during World War II.

His survivors include four sons, Bill Getz, Cleveland, Ohio; Harold Getz, Madison, John J. Getz Jr., Granite City, and Don R. Getz, Columbia, Mo.; two daughters, Mrs. Marcella Redmond, Granite City, and 12 grandchildren.

He and his fiancée, Bonita Gibbs, had been planning to be married on Saturday night.

The Rev. Charlotte Zachary conducted 9:30 a.m. services today, Sept. 17, at Mercer Mortuary Chapel, 1416 Niedringhaus Ave. Burial was at National Cemetery, Jefferson Barracks, Mo.

Florence Hastings

Mrs. Florence Elsie Hastings, 78, of Collinsville, formerly of Granite City, died at 10 a.m. Saturday, Sept. 15, 1984, at Pleasant Rest Nursing Home in Collinsville.

She was born in Pearl, Ill., and lived in this area for many years prior to moving to her present address.

Mrs. Hastings was preceded in death by her husband, Beryl Hoxby Hastings, on Feb. 19 of this year and two sisters and one brother.

Survivors include one son, Alvin E. Sugg, Arlington Heights, Ill.; a daughter, Mrs. Edna Crone, Collinsville; three brothers, Talor Butler, Washington, D.C.; Clarence Butler, Granite City; and Ace Butler, Fresno, Calif.; three sisters, Mrs. Claude (Opal) DuVal and Mrs. Frances Westbrook, both of Granite City; and Mrs. Virgil (Nina) Schmieg, Collinsville; six grandchildren and five great-grandchildren.

Visitation will begin at 6 p.m. today at Herr Funeral Home, 501 W. Main St., Collinsville, where funeral services will be conducted at 2 p.m. Tuesday, Sept. 18. Burial will be in St. John Cemetery, 2901 Nameoki Road.

Ethel Schutkofer

Mrs. Ethel R. (Reed) Schutkofer, who marked her 100th birthday on Feb. 21, died at 8:30 p.m. Thursday, Sept. 13, 1984, at the Yoke Nursing Home in Tipton, Ind.

A resident of Granite City for many years prior to moving to Indiana, Mrs. Schutkofer was a patient at the nursing facility the past 4 months. She lived in Indiana for 18 years.

She was of the Catholic faith. Her husband, Sam Schutkofer, died Nov. 6, 1950.

Mrs. Schutkofer also was preceded in death by a daughter, Mrs. Mary Frances Pinkerton, in May 1975 and a son, John Schutkofer, in November 1964.

Among the survivors are a sister, Mrs. Frances Woodruff of Tipton, Ind.; three grandchildren, 12 great-grandchildren and 15 great-great-grandchildren.

Services were at 9:30 a.m. today, Sept. 13, at Pieper Funeral Home, 1929 Cleveland Blvd., with the Rev. Gary Perret officiating. Burial was in Calvary Cemetery, Edwardsville Township. Visitation was Sunday at the funeral home.

different from a situation where an individual steals large sums of money. But it is a Class 3 felony."

Mehelic still faces five other allegations of official misconduct in directing employees to perform personal work on township time. The trial date has not been set.

BEFORE THE SENTENCE was pronounced, Wallis, one of the defense lawyers, made several motions asking that the jury conviction be reversed or a new trial granted.

Wallis argued that the testimony of the prosecution's main witness, Denison, may not be credible because Denison had suffered work-related medical problems. He questioned Denison's ability "to understand what was going on at the time."

Wallis also argued that the prosecution had changed the nature of the case against Mehelic. He said the original charge stated that Mehelic had ordered work done on his (Mehelic's) wife's car. The charge was amended, Wallis noted, to state that the car belonged to Mehelic.

JURORS WERE NEVER advised, Wallis said, as to what was contained in the law Mehelic allegedly violated.

He told the judge, "The state charged he exceeded his authority as stated in the statutes. How can the jury determine that without seeing those statutes?"

Mehelic was convicted of "exceeding his scope of authority" by ordering Harold "Ray" Denison, a Nameoki Township mechanic at the time, to work on Mehelic's personal car during working hours for two days in June 1981.

DELANEY RECOMMENDED that Mehelic receive probation and a fine, pay restitution, serve a periodic jail sentence of three to six months and forfeit his office.

In handing down the sentence for official misconduct, Judge Ferguson said, "I think if you open the cassettes of a public official, you'll find errors of judgment. This case is very

care center can begin operation.

WALKER CITED the following changes: the installation of a fire alarm system with a telephone monitor (this change would cost \$2,000); covering the vented bottom of the kitchen door; and the removal of cleaning equipment from the furnace room.

He said that Urban League also is willing to pay for utilities used and for janitorial services.

Venice Park Board President Arnold Johnson said these payments and a possible sharing of the cost of the fire alarm improvement by the board will be discussed before a final agreement is drawn up.

Johnson said the board may want to share in the cost of the fire alarm system, since the Urban League would be installing the equipment, but only be using it for about three months.

THE ONLY APPARENT inconvenience of the proposal is the furniture that will be used by the day care center. Walker said there will be desks and non-foldable chairs used by the students and that these will have to be moved if the recreation center is to be used by another group.

Johnson said he does not foresee this as a big problem, since no groups use the facility during the week. Most dances and family get-togethers take place during the weekends, he noted.

Walker said the Urban League would like to start using the facility by Oct. 1, so a special meeting of the board will have to be called prior to the regular meeting on Oct. 11 for final approval of the project.

Board to consider rezoning for multi-family development

Among the zoning cases to be considered by the Madison County Board when it meets Wednesday is a request from Lodon Development Corporation to rezone 27 acres in Venice Township from R-4 single-family residence district to an R-5 multiple-family dwellings district.

The Madison County Zoning Board of Appeals recommended Sept. 7 that the request be granted. The acreage lies at the end of Watson Street in Eagle Park Acres.

The request from Fannie and Lynn Kamadulski asked for a special use permit and variation to place a single-wide mobile home in an agricultural district in R-4 single-family residence district at 4960 Carl Street in Hills Terrace Annex in Nameoki Township. The property is located on Route 162.

The board also recommends that a request from Timothy and Shirley Fisk for a variation to place a setback line 10 feet instead of 25 feet in the front of the property be granted.

The property is located in an R-3 one-family residence district at 4496 Lake Drive in New Era Subdivision, Nameoki Township. In recommending that the request be granted, the board noted the landscape of the lot.

All other rezoning cases before the County Board Wednesday involve mobile homes, and the Zoning Board of Appeals has recommended that

the requests be granted. The cases are as follows:

A petition from Bernard and Evelyn Harris for a special use permit to continue the placement of a single-wide mobile home in an R-4 single-family residence district in Eagle Park Acres in Venice Township.

A request from Dognell Taylor for a special use permit to place a single-wide mobile home in an R-4 single-family residence district at 319 Watson Street in Eagle Park Acres, Venice Township.

The petition of Vera A. Winterberg for a special use permit to continue the placement of a single-wide mobile home in an R-3 one-family residence district at 4900 Carl Street in Hills Terrace Annex in Chouteau Township.

A request from Don D. Gergen for a special use permit to continue using a single-wide mobile home in an R-3 one-family residence district at 4920 Carl Street in Hills Terrace Annex in Chouteau Township.

The petition of John Tarias and Nancy and Bill Bridges for a special use permit to place a single-wide mobile home in an R-4 single-family residence district along McCambridge Avenue in Nameoki Township.

Vandalism at new National Food site

Four brick pillars and adjoining walls were smashed in various places at the new National Food Store construction project in the 3100 block of Madison Avenue, it was reported at 8:50 a.m. Sunday by an assistant store manager.

Those responsible apparently used a sledge hammer to accomplish the destruction. It was reported in a police report, Leo Wolf Co. of Granite City is the major contractor on the job.

The report also noted that a labor union picketed the construction site on Thursday and Friday. Details of the labor dispute were not available and a picketer declined to discuss the strike except to say that Bricklayers were continuing to work, despite pickets from the Laborers.

Girl Scouts host organization meeting

The River Bluffs Girl Scout Council will conduct a troop organization meeting at 6:30 p.m. Thursday, Sept. 20, at the Wilson School gymnasium, 2450 S. Main St.

The group is urging any parent interested in becoming a troop leader, or any girl interested in scouting, to attend the meeting.

Joyce Albert, neighborhood chairman for District 4, will be in attendance.

For more information, interested persons may call Linda Butler at 451-1748.

'Cramming' kickers turn back Collinsville, 2-1

By ALAN L. GERSTENECKER
Sports Editor

GRANITE CITY — Before Thursday's matchup with Collinsville, Granite City High School's varsity soccer coach, Gene Baker, compared the Warriors' 36-hour preparation for the game to "cramming for a major test."

That being the case, Baker may want to write a book on good study habits.

With just a day and a half and three practices to prepare for the game after the teachers' strike ended, the Warriors picked up their first Southwestern Conference victory in 11 years and their first of the season by defeating the Kahoks 2-1. The varsity win reciprocated the Jayvee loss just 90 minutes earlier.

"WE REALLY needed to play," Baker explained from his coach's office after the game. "It was time for the kids to be tested. It was time to find out where our weaknesses were."

In that sense, the Warriors' weaknesses were few. Nothing that a week or more of practice wouldn't correct. In fact, even Kahok coach Jim Stranz thought the Warriors played well.

"Granite City's good and they always will be," Stranz said. "This was their first game of the season and they came out smoking. They played hard and they tackled hard. That's their style. It was a good ball game between two evenly matched ball clubs."

THE KAHOK coach downplayed the significance of the Warrior victory, saying that a regular season win for the Warriors does not necessarily mean the Kahoks should be counted out in future matchups this year and in the post-season tournament.

"We won 3-1 last year during our first meeting, but we weren't the ones to go to the state tournament, they were. Anything can happen. They're tough at their own place. We're not going to live or die on what happened here tonight," Stranz said. The Kahok coach went on to say teams with better records than the Kahoks have felt grief after coming to "The Gauntlet."

I've seen Vianey (High School of St. Louis) lose here when they were the Missouri state champions. This is Granite City's turf, they're always tough at home."

THE WARRIORS wasted little time in displaying that toughness, scoring in the first quarter.

With slightly more than seven minutes expired, Scott Blason put a corner kick into play from the right corner. Soccer player Mike Houston leaped into the air and pushed a header towards Kahok goalkeeper Bob Range who made the save, but was unable to smother the shot.

Junior forward Brett Scrum, being "Johnny on the spot," positioned

himself for the ensuing deflection. Sighting up the deflection, Scrum's shot, a skidder, scooted past Range to score on the right side.

"I could see the play developing," Scrum said recalling the goal. "It was an accident that I was there. If he (Range) was going to bobble it, I wanted to be there."

FOLLOWING the goal, the balance of the game, which had been nearly even until that point, tipped in favor of Granite City. The game-hungry Warriors had satisfied their appetite for a goal, now they wanted a victory.

Although controlling the ball, the Warriors were denied further success in the first quarter by a stubborn Kahok defense. By the end of 20 minutes of play, the Warriors led 1-0 and overhauled the Kahoks 7-4.

Things, however, turned around for Collinsville in the second quarter. Just as the Warriors had dominated the first quarter, the Kahoks controlled the second. By halftime, shots were even at 10 apiece and goalie saves were four for the Warriors and five for the Kahoks.

IN THAT second quarter, Collinsville's attack — a la Brad Golden — took shape.

At 32:18, Golden chipped a shot high, in front of the goal mouth, which Warrior goal keeper Jeb Blasingame saved with a diving effort.

Slightly more than a minute later, Golden was at it again. Another shot, one with more velocity, would have scored in the upper left corner had Blasingame not mis-directed it up over the cross bar.

To start the second half, Granite City was more on track, at least it appeared the Warriors were initially.

AT 43:35, Warrior back Brent Cook was issued a yellow card for tripping when his attempt at a sliding tackle toppled Ellis.

Then, at 47:15 Greg Gobbie's attempt to head the ball past Range on a penalty kick sailed high, over Range's outstretched arms.

Already frustrated by their inability to capitalize on scoring opportunities, the Warriors were further frustrated by the Kahoks' off-sides trap, which accounted for nine Warrior turnovers in the contest.

At one one-minute stretch of the third quarter — between 47:20 and 48:27 — the Warriors were victimized twice by the trap.

"We weren't playing the ball," explained Baker afterwards of Collinsville's trap. "We were playing them and not the ball."

Shortly thereafter, the Warriors caught on to Collinsville's trap and began to pressure the Kahok defense once again.

AT THE 50-minute mark, Granite City was cruising along, avoiding the trap, and threatening the Collinsville goal.

Shortly after that, at 51:58, Gobbie slapped a shot towards the goal mouth. Frank Soellner shot it in towards Range who made the save, but couldn't control it. Houston, waiting for just an opportunity, pushed in for Granite City's second goal.

By then, there were two teams with vastly different emotions on the field. The Warriors were flying high and the Kahoks were, apparently, feeling the frustration.

Eager to get his team rolling again, Ellis made a sliding tackle in to Scott Grote, who when upended, fell onto Ellis. Wound was ex-was initially, and consequently, Grote was issued a red card.

ASSESSING the play afterwards, Baker attributed the call to the in-

tensity of the game. Playing a man short for the duration of the game, the Warriors continued to challenge the Kahoks, despite the shortcoming.

To start the fourth quarter, the Warriors' Derek Merz blasted a shot at Range who made the save. Just more than a minute later, Dave Baggett, playing midfield, pushed another shot towards Range, who dove left as the ball sailed just wide.

Then, there was yet another shot, this one at the 64-minute mark. This time it was Todd Adamitis' attempt to treat the goalie. But, again, the shot sailed wide.

THE WARRIOR barrage at Collinsville's goal heightened the Warriors' frustration. Moments after Adamitis' shot, Golden, aiding his defensive teammates, was issued a yellow card for tripping.

And even that didn't stop the Warrior offensive.

At 69:57 Houston strong-legged another shot at the Kahok goal, but it too veered wide. At that point, it only seemed like a matter of time before one attempt, one shot, would find its way to the back of the Kahoks' net.

But, it never came.

Instead, the Kahoks would be the ones to score, thus avoiding the shutout.

In the final minute of the contest, at 79:15, Ellis took a pass from Joe Burchett and slapped it past Blasingame for Collinsville's only score.

The Warriors' had passed their first test, and a big one at that. The cramming session had paid off. They made the grade.

Madison Volleyball Spikers win, lose in tournament

By PAULA WISE

WOOD RIVER — For a while Saturday afternoon, it appeared as if the Madison Trojante volleyball team was going to repeat their success of last season.

After losing to Edwardsville in the first round of the Wood River Invitational Volleyball Tournament, the lady spikers rebounded in their second match to sweep Roxana 16-14, 15-9 and gain a berth in the consolation final against Triad.

Last year's tournament saw the Trojantes emerge as consolation champions over the Lady Knights. But this was not the same team that had taken the floor last year. In fact, the only starter from last year's Trojante squad, Kim Goes, was on the bench serving as coach in the

absence of head coach, Carol Cole.

THE LACK of experience definitely showed as the Trojantes were defeated by the Lady Knights 15-6, 15-4 in the final.

Most of them have never played at the varsity level, so it's new to them," said Coach Goes. "I guess they were just nervous."

The Trojante's nerves really showed in their first match of the day with Edwardsville. After Madison had failed to score, the Tiger's first server, Kristi Kline, served 15 straight points to take the victory.

The second game of the match began with Kline serving. She was able to string 14 points before the Trojantes were able to stop her. After a side-out the serve returned to Edwardsville and Stacy Becker

finished off Madison.

AFTER THE morning blowout by Edwardsville, the Trojantes appeared to be a different team when they took the court against Roxana. Behind the powerful serving of Harleyn Wilson, the Trojantes cruised to an easy victory.

"I think it took them a while to get started since Mrs. Cole wasn't there. Then they decide they better start playing," said Miss Goes.

"I guess they got used to having a different coach. It's hard for me to tell them what to do when I played with most of them last year. I never knew it was that hard to coach," she added.

IN THE consolation final with Triad, Madison was not able to retain the level of play they had against Roxana. One reason for that was the powerful spiking of Triad's 5-foot 10-inch center hitter, Amy Gire.

Gire, a standout on last year's Lady Knight basketball team, proved to be one of the tournament's top spikers as she brought her talents to the volleyball court.

Along with Gire, Triad Coach Judy Ulrich utilized the serving abilities of senior, Kim Lange to pace the Lady Knights in their victory.

In the final game, Madison could not initiate any kind of offense. Unable to receive serve and get the pass to the setter, the Trojantes had to rely on just trying to get the ball back over the net.

"I think they quit playing as a team," said Miss Goes. "They really played well in the second match, but in the third they just lost their heads. I thought if I made some substitutions it might make a difference, but it didn't."

The Trojante's next match is tonight. They will travel to Collinsville for a 6-30 contest.

At Heine Meine Field Dragons hand Warriors first loss

By ALAN L. GERSTENECKER

ST. LOUIS — Playing at home has its advantages. Few teams know that advantage better than Granite City High School's soccer team. When the Warriors are at home, on "The Gauntlet," they're practically unbeatable as Collinsville found out Thursday (see related story).

But the Warriors were rudely reminded of the other side of that coin Saturday night at Heine Meine Field as the "home-field advantage" stole the game away from them.

Blessed by at least one forgiving referee, St. Mary's handed Granite City their first loss of the season, 2-1.

IT WAS a hard game to figure. Statistically, the Warriors' attack was at least 25 percent better than the Dragons. The Warriors outshot St. Mary's 26 to 18. Goalie saves were virtually even, 11 for Granite City, 12 for St. Mary's.

In the category of corner kicks — often the determining factor — the Warriors were also supreme: GCHS 9, St. Mary's 5.

In the final statistical evaluation, that of fouls, the Warriors also ruled supreme, or at least they did. They outnumbered the Dragons: GCHS 28, St. Mary's 21.

After the game, Granite City High School coach Gene Baker was at a loss of words. After a moment, he spoke.

"I HOPE we're the kind of team that can learn from this," Baker began. "There are a few things that we didn't do too well. We'll evaluate and hopefully, we'll learn from this."

Putting the game in perspective, it was, at least, a very physical contest. In all, 49 fouls were called.

Following a 3-1 junior varsity victory, the varsity Warriors appeared to be rolling to a victory of their own.

After a scoreless first half, Scott Grote put the Warriors on top at 46:03 when he sank a penalty kick past Dragon goalie Tony Bieg. Dragon midfielder Steve Mertens tripped Mike Houston to set up the kick.

THE WARRIOR lead was shortlived, however, when Dragon striker Larry Julius scored on a corner kick. At the 48:07, Julius put a corner kick into play from the left side.

Warrior goalie Jeb Blasingame mishandled the kick, which came down at the near post. The ball deflected off Blasingame and slithered into the net for the scoring goal.

The Dragons took the lead on what turned out to be the deciding goal when midfielder Mike Rooney penetrated the Warrior defense and slapped a shot past the sprawling Blasingame. The one-on-one tie-

breaking goal came at 45:22.

ST. MARY'S coach, Steve Bellock, said the difference in the game were opportunities. Simply put, Bellock said, was St. Mary's ability to capitalize on its opportunities. "I don't want to be critical, but Granite City missed several good scoring opportunities. We didn't get the shots that they did, but we made our count."

The loss drops Granite City's record to 1-1 on the season, but there is some consolation for the Warriors in the loss. The Warriors may get another opportunity to meet the Dragons later this year when they host the Tournament of Champions Oct. 1-4.

THE BEST part of it all, too, is the Warriors will be playing at home. This time, the home-field advantage will be theirs.

Tuesday, the Warriors will square off for their third game of the season as they take on Edwardsville at Southern Illinois University at Edwardsville. Jayvee action begins at 5 p.m. Saturday, the Warriors will host Harrisonville, Ind., at 11 a.m. at the Gauntlet.

On The Road Stars win two of three

For Granite City Center's soccer coach Larry Petri, last week was one that both he and the Stars could be proud of.

Playing Thornton College on Wednesday, the Stars avenged the beating they took at the hands of Lewis and Clark earlier in the week by trouncing Thornton 7-0.

Picking up goals for Stars were Phil Popmarkoff, who scored twice, and Jim Doyle, Tim Dean, Mark Reiml, Scott Heck and Benny Nolan who each scored once.

The next day, on Thursday, the Stars bowled over Sauk Valley Junior College as they picked up their second shutout in as many days. Nolan and Dean pick up those GCC goals.

With a day off in between, the Stars were again on the road Saturday as they dropped a 1-0 loss to DuPage in overtime. Scott Monteth picked up the winning goal for DuPage.

The Stars, who are now 2-2 on the season, will take on Missouri Sempit Forest Park on Tuesday at 7:30 p.m.

On The Gridiron Pioneers pound Trojans 53-0

By CHARLIE SKAER
of the Press-Record
EAST ST. LOUIS — The Assumption Pioneers, hot off a 41-0 opening victory over Williamsburg, racked up the same score in only half the time Saturday afternoon against the Madison Trojans.

After jumping out on top 41-0 at halftime, the Pioneers rolled to a 53-0 blowout win.

"I'm at a loss for words," said dejected Madison coach Don Smith, staring at some statistical sheets.

"They've let me down. All I know is that there's got to be some changes before next week."

THE TROJANS, who were worn down in a 34-14 opener against West Frankfort, were concentrating on one main item during last week's workouts — stamina. Smith and his Trojans thought that if they could be in good physical shape when the fourth quarter came around, they might have a shot at beating Assumption.

The game plan didn't work. It didn't get a chance to work.

The Trojans were down 22-0 after less than nine minutes of action. Madison errors led to two of the early touchdowns. A fumble by running back Reggie Young was picked up by guard Werner Martin, who ran 40 yards for the score. A low punt by Steve Petrovsky was blocked to give Assumption the ball on Madison's 44-yard line.

"WE POPPED them early," said Assumption coach Jim Monken. "That turned everything around. We got on the board quick. It gave us the momentum for the rest of the game."

Monken said he had scouted Madison during the team's home opener Sept. 7.

"I don't think that they're as bad as a 53-0 team," said Monken. "I told them and their coach that. We got all the breaks the first quarter and that set the tempo."

"Last year we were struggling, too. We got lucky and won a few games. We were young and inexperienced, but this year these same kids are veterans."

THE ASSUMPTION duo of senior Larry Stricklin and junior Jim Collins accounted for six of the eight Assumption touchdowns. Stricklin led the team with 173 yards rushing

and four touchdowns, followed by Collins with 64 yards and two touchdowns. Tackle Stan Scott also scored a touchdown off a fumble by Young on Madison's 54-yard line.

"The line that I thought would hold this team together is letting me down," said Smith. "I thought they'd have more heart. But they get down too easy."

"That's the way it's been the last two games. Now we're going to have to try to change it."

SMITH, in his second year as head coach of the Trojans, took pride in knowing that his team had not been blown out of a ball game during last year's 3-5 season. He was obviously upset about Saturday's slaughter.

"We tried to avoid blocks instead of hitting them head on and trying to fill in the holes," said Smith. "Their running backs weren't having to push themselves, either. Collins was just jogging through there. He knew he wasn't going to get hit hard."

Smith said he was especially concerned about the lack of effort from his players.

"MY KIDS quit too early," he said. "They have a false pride. Someone tells them that they have the size to be good football players and they already think they ARE good football players."

"A lot of the guys are just going through the motions. We might get rid of some excess baggage, unless there's some changing around here."

Smith said he is especially looking for a pair of defensive ends.

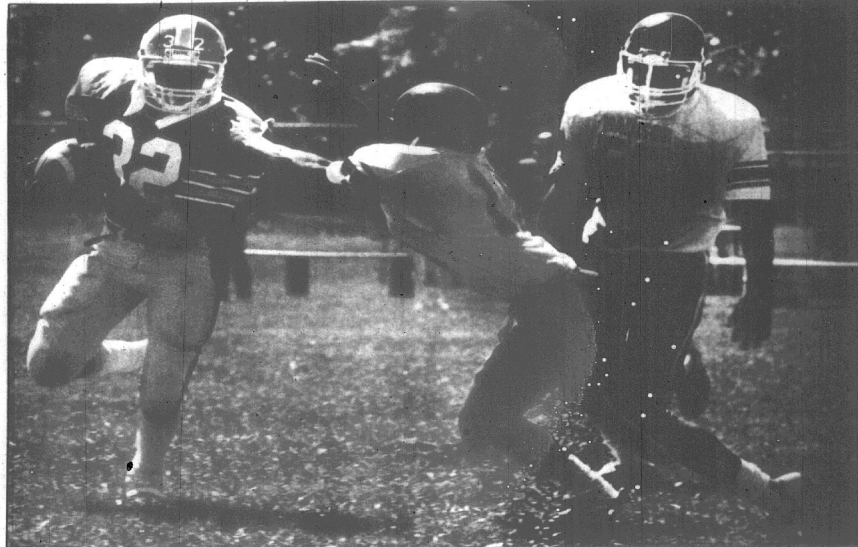

"None of them are doing the job," he said. "One day one looks good, the next day the other looks good. Come game time and they both look bad."

THE TROJANS may have suffered more than just frustration in the blowout. Senior Jeff Bridick was carried off the field early in the third quarter with an injury to his right knee. Young, a junior who scored both of Madison's touchdowns against West Frankfort, was forced to sit out the second half after pulling a groin muscle.

The Madison offense had a new twist midway through the second quarter. Chandler Terrell came in as quarterback while starter Darrell Marshall moved to a running back position. While at the helm, Terrell helped his team gain 89 yards, compared to 47 yards while Marshall was at the quarterback position.

"MY GUY a quarterback who wants to be a halfback," said Smith, referring to Marshall. "Chandler (Terrell) did OK. But we want to run an option kind of offense and Darrell (Marshall) is quicker, so we have to do some switching (with Terrell). But we may stick with it for awhile."

Madison's biggest gain of the day came late in the fourth quarter. Marshall caught a pass from Terrell for a 34-yard gain. On the day, Madison gained only 67 yards rushing and 69 yards passing. Lonzo Nelson carried the ball 11 times for 39 yards rushing.

OUT OF REACH. Madison cornerback Darrell Marshall reaches to tackle Assumption's Larry Stricklin during Saturday's non-conference football game at Assumption.

Aiding the pursuit is Jeff Bridick, 55. The Pioneers trounced the Trojans 53-0 in the second game of the season for both clubs.

A Historic Moment Trojans win third in a row

By JOE THOMPSON

DEFENSIVELY for Madison, Daryl Shipp and Daryl McCormick each recovered a fumble late in the game. Assumption stayed with the ground game and hammered out 277 yards. The team's quarterbacks — three saw action in the contest — went to the air only five times for 30 yards.

Madison's next test will be Saturday in a 1 p.m. contest at Columbia.

"That'll show you what these guys are made of," said Smith. "The season's young and we can get back on the right track if they stick it out. But they're going to have to make some sacrifices."

MADISON — For the Madison High soccer Trojans, the moment was a historic one. Their 2-1 victory over the Maplewood High Devils of St. Louis last Thursday broke marked the first time in the eight-year history of their program they put together three straight triumphs.

The victory that pushed their 1984 season record to 3-1-1 did not come easy. After sprinting away to a 2-0 lead early in the first quarter, the Trojans found themselves badly outshot and mostly outplayed the rest of the way. But they hung on.

The contest nearly was historic for another reason — a more dubious one. After the match, it was discovered that the game ball was missing.

SO TROJAN players, under the direction of their coach, Gene Briggs, hunted for the missing ball. Their search even took them to the Maplewood bus, where it was thought some of the Devil players might have commandeered it aboard.

"Be polite," Briggs instructed goalkeeper Patrick Ingram and forward Reggie Brown as they prepared to stop the bus before it left the parking lot.

No doubt, the two players did use tact. A few minutes later, the bus — which did not contain the missing ball — was again on its way. A few minutes after that, the ball showed up near one of the goals.

NOW THE victory truly was complete. In the eight years Briggs has coached the Trojans, he has never lost a game ball. He had something else to show for Thursday's victory.

Yet, however, his plans did not include any festivity to commemorate the third straight victory.

"I'm not going to celebrate," said Briggs. "I'm going to go home and figure out how we can make it four in a row."

The third one was special, though. If Briggs had to pick out one bright

spot, it probably would be the Trojans' tenacity. They didn't give in to defeat, though the Devils did everything to win but shoot arrows.

"I'M GLAD we had guts to stay in there and hold the lead," said Briggs. "I think the fact we stayed in there was the main thing. It was very important. It showed the quality of the kids."

Madison, which does not benefit from the lucrative youth soccer programs which boost other schools, does have some quality kids.

One of them is their goalkeeper, Glasper. A junior, Glasper stopped 14 shots — some in spectacular fashion.

An example came midway in the first quarter. Denny Hoelzer, the Devils' best player, found himself directly in front of the Trojan goal. But his shot — a blistering drive — was halted by Glasper over the top of the crossbar.

GLASPER, with four minutes left to play, also dove to knock away a driving shot by the Devils' John Jones, who earlier had cut the lead to 2-1 with a third period goal. Jones could only raise his hands in disbelief when his effort to tie the match did not succeed.

With the spotlight shining his way, Glasper directed the attention to some others. His defense.

He named names — James Isaac, DeLarrea Young, Roger Kullum and certainly Kenny Ingram. Ingram personally stopped two screaming shots that appeared headed for the back of the net — with his body.

"I got good defense," said Glasper.

IF HE wanted, he could also say the Trojans have a good rapport with that Great Soccer Coach in the Sky. Or, maybe it was the Great Coach didn't like who the Trojans were playing.

At any rate, the Devils' Hoelzer misdirected a penalty kick attempt in the second quarter. Rather than being sent soaring to one of the corner

parts of the goal, the ball dribbled weakly to Glasper. It was his easiest save of the day.

Devil coach Andy Hubbard, whose frustrations at one point brought him a yellow card, was philosophical afterward.

"EXCUSES," he said, "are for weak people."

Had he wanted to be a little weak, he could have. The Devils, whose record dipped to 1-4, at one time fielded nine freshmen players.

Then, however, the Trojan players, for the most part, did not have the exposure to soccer as young kids their opponents from St. Louis did.

Exceptions, perhaps, were junior Mark Martinez and freshman Jerry Gushel. Both demonstrated quality skills. The two collaborated on the Trojans' first goal. Gushel scored on a nifty pass from Martinez. The second goal, which came a few minutes later, was scored by senior Reggie Brown, who was assisted by Kullum.

IT WAS Martinez, though, who kept the match honest. While the Devils battered away at the Devil goal late in the game, he mustered up some offensive fireworks of his own — including a shot that was stopped only by the top of the crossbar.

Still, the offensive statistics weighed heavily against the Trojans: 25 shots for Maplewood to 17 for the Trojans; Glasper's 14 saves compared to the Devils' Ed Rook's six. The most glaring difference, however, was in penalty kicks, where the Devils forced nine to the Trojans' two.

But a victory it was, and the finding of a missing game ball to boot.

Hardees secures sixth title

Hardes baseball team, formerly Burger Chef, recently completed its sixth year in the Granite City Park District's summer Midget League.

Along with those six years of competition, Hardees has amassed six championships and a record which stands at 82 and 2. This year, the team is also co-champions with the Fairview Heights Bombers in the district's post-season tournament.

Leading the team with a .593 batting average is Chris Nolan, shortstop, followed by Mike Livesey, second base, with a .528; Kurt Hodges, pitcher, .510, and Chris Ryan, first base, .500. Pitchers for the team are Ryan, Nolan, Hodges and John Rains.

The team is managed by Harold Tanksley and coached by Benny Nolan.

Team members, in addition to

those already mentioned are Jerry Thompson, Jody Ritchie, Dennis Laboray, Tim Wilson, Shawn Tripp and Steve Tanksley.

Exercise classes at Madison Center

Evening exercise classes for women are being formed at the Madison Recreation Center, according to Shirley Greer, director of the center.

Classes will meet four times a week, Monday through Thursday, from 6:30 to 8 p.m. The fee for the workouts, which are for women 18 years and older, are \$10 per month.

Persons wishing to register for the classes should call the recreation center at 451-1440.

Q: Is the government thinking about changing the color of paper money? Please don't laugh! I'm sure I heard recently that the treasury was considering printing money on pink paper. I, personally, just don't like the thought of trading in my "greenbacks" for "pinkbacks." It seems almost unpatriotic!

A: Your greenbacks are safe! Yes, the Treasury Department did give serious consideration to changing the color paper currency is printed in. The reason: An attempt to foil counterfeiters. However, the Treasury has given up the idea — probably due to a lot of people expressing the same opinion you expressed in your letter. Several other deterrents are being considered, however, including the embedding of magnetic threads in the paper, using a watermark and imprinting a hologram, which would give a three-dimensional effect. Recommendations will be made sometime this year. Regardless of what change is made, you can still hang on to your green backs. The Treasury does not plan to call in existing currency.

Warriors Finish Fifth Wildcats scramble for golf title

By JAMES BLASINGAME
of the Press-Record

GRANITE CITY — The Warriors and coach Russ Chappell hosted the 10th Annual Granite City High School Scramble Golf Tournament Saturday at Arlington Golf Club. Ten teams took part in the tournament, the only scramble in the Illinois High School Association, and it was the Salem Wildcats who came out on top.

For the first time in the tournament's history, a single squad captured first place in all three flights, while Salem's team total of 201 broke the tournament record by five strokes. Favored Edwardsville was second with a team score of 207. Granite City's 223 put the Warriors in fifth place, one shot below last year's fourth place finish.

IN THE A flight, three twosomes, Salem's Rob Albright and Tony Mallon, Mount Vernon's Brant Gessner and Mike Rettig, and Edwardsville's Hal Patton and Alex

Vandiver, shot a five under par 67, so the top three spots were determined by a "scorecard playoff."

In a scorecard playoff the team that recorded the fewest number of strokes on the first hole is declared the winner. If the scores are the same for the first hole, the scores of the following holes are checked until a winner is determined. Salem finished first, ahead of Mount Vernon and Edwardsville.

SALEM'S Randy Larson and Rich Haney took top honors in the B flight with a 66, while Joe Meador and Mike Chitty, also of Salem, won the C flight with a score of 68.

Warrior golfers competing in the tournament were Bill Gaumer and Chris Carden who finished ninth in the A flight with a 75; Mike Sturman and Eldon Depew, who were awarded medals for shooting a 70 and placing fourth in the B flight; and Steve Schatz and Alan Gerard who finished sixth in the C flight with a 71. The Warriors next match is Tues-

day against O'Fallon and Triad in O'Fallon. Action begins at 4 p.m.

GCHS netters whip Collinsville

HIGHLAND — Granite City High School's girls' tennis team made its 1984 debut Thursday in grand fashion by defeating Collinsville 6-1 and then grabbing second place Saturday in the Highland Invitational Tournament.

Against Collinsville Thursday, the Warriors dropped their first single match and then cruised to a six straight victories.

In first singles, Sherri Ousely lost to the Kahoks' Beth Fischer 5-7, 6-4, 6-7, but it didn't take long for the rest of the Warriors to get on track.

IN SECOND Angela Pinkston rolled over Kris Macari 6-0, 6-2 to pick up the Warriors' first win.

In third singles, Beth Sues had an even less difficult time with Collinsville's Robin Cochran as she handily defeated the Kahoks 6-1, 6-0.

In fourth singles Marsha Williams

flexed her tennis might as she defeated Patti Evans in straight, scoreless sets. Williams bettered Evans 6-0, 6-0.

In doubles action, Maria Parra and Dawn Schwartz turned back Michelle Borony and Fischer 10-0. Because of impending darkness, the girls played the 10-game pro-set format.

In second doubles, Andrea Suarez and Jill Werths downed the duo of Macari and Evans 6-3, 6-4 to pace the Warriors to their fifth victory of the evening.

GRANITE CITY picked up its sixth and final victory in third doubles as Robyn Morlen and Linda Briner bettered Collinsville's Lisa Hayden and Chris Spotski 6-1, 6-0.

On Saturday, in the Highland Invitational, the Warriors again flexed their collective might, tying with perennially tough Highland for se-

cond place and 13 points. Mater Dei won the tournament with 17 points. Greenville was fourth with six points while Lebanon High was fifth with one point.

In all, Granite City managed to bring home three trophies. In second doubles competition, the duo of Parra and Schwartz finished second. "They played extremely well," said Warrior coach Dick Harmon.

THE WARRIORS' second pair of trophy winners were Suarez and Werth as they, too, pick up second-place honors. The girls competed in fourth doubles.

The third pair of doubles winners came in fifth doubles as Briner and Morlen "walked through" competition to round out the Warriors' trophy recipients.

Tuesday, the Warriors will travel to Roxana for a 4 p.m. matchup with the Shells.

COLLEGE FUN. Four members of the Southern Illinois University at Edwardsville women's soccer team take time out of a recent game to do a little clowning. At left, Karen Whitted, from Leavenworth, Kans., has a little fun with Granite Cityans Pat Atkinson and Mary Bishp. Looking on at right is Deanna Epps (23) also of Granite City. The women had reason to be happy as the picture was taken last Tuesday when they handily defeated Missouri Baptist 8-2.

For Fall, Winter Seasons

Lincoln Place Center opens today

The Granite City Park District will open the doors of one of its more popular community centers today, Monday, Sept. 17.

This afternoon, the Lincoln Place Community Center, 822 Niedringhaus, will open its doors for the fall and winter seasons. The facility will be open evenings and weekends until the first week in November when volleyball leagues will begin.

BEGINNING today, and continuing each week through Thursday, the facility will open at 4 p.m. and remain open for two hours for the fall and winter seasons. A similar two-hour span will begin at 6 p.m. for district resident adults. The

final segment of the evening, from 8 to 10 p.m., is reserved for open play. Each Friday, the plan for the center is reserved for rental purposes. Persons or organizations seeking to rent the center during this time should contact the Wilson Park Office at 877-3059.

ON SATURDAYS the center will operate under a similar, segmented schedule that it does on Monday through Thursday.

Beginning at 9 and lasting to 11 a.m., the center is reserved for youth activities. Adults will find the following two-hour segment, 11 a.m. to 1 p.m., as their time.

The following two hours, from 1 to

3 p.m., is scheduled for open activities, a time for both youth and adults.

The center is closed on Sunday. Before persons may utilize the center they must display a Granite City Park District identification card of proof of residence. Non-district residents are not denied use of the center, but must present an admission pass before they are allowed to utilize the building.

The tickets, which like tax dollars help defray the cost of operating the center, may be purchased at the Wilson Park Office. A book of 20 may be purchased for \$20.

Wrestling Club plans benefit dance

The Granite City Wrestling Club has slated Saturday, Sept. 22, as the date for its second annual benefit dance.

The dance, which will be at the Madison Croation Home, 1000 Madison Ave., will begin at 7:30 p.m. Dinner will be served at 8 p.m. followed by dancing which is scheduled to begin an hour later.

For the \$20 per couple ticket price, persons receive dinner, beer and setups, and live music performed by the High Rollers.

Persons seeking tickets or further information should contact either Bill Widel, 797-1834, Tom Sparks, 451-1375, or Monte Kessler, 931-0581.

YMCA Golf tourney is televised

The YMCA Golf Classic, a scramble tournament held Aug. 25, is tentatively scheduled to be aired by South-Western Cable in the coming weeks.

Scheduled to be televised on three different dates on the local programming channel 123, the tournament was the second annual fund-raising event which benefited the Tri-City YMCA in Granite City. Granite City viewers may catch the first airing of the tournament this Friday, Sept. 14, at 7 p.m. The scheduled second airing will be four days later, Tuesday, Sept. 18, also at 7 p.m. while the final recorded broadcast is tentatively scheduled for Monday, Oct. 1, at 6 p.m.

Boosters meet this Tuesday

The teachers' strike has ended, and it's time to get things rolling again. One of the organizations to do so is the Granite City High School Booster Club.

The boosters have scheduled their first meeting of the 1984-85 school year for this Tuesday, Sept. 18. According to a Booster Club officer, the organization will meet at 7:30 p.m. in the high school cafeteria.

Items to be discussed in the meeting include the planned renovation of Memorial Stadium.

Park offers hunters' course

The Granite City Park District has announced the dates for its Hunters Safety Course. The class dates are September 25, 26, 27.

It is compulsory that each session is attended in order to qualify for a completed course. Participants must register at the Wilson Park Office. The class is limited to 30. Those passing the course will be awarded a certificate.

Registration is currently being taken at the Park Office.

THIRD IN STATE. The Tri-Cities Council 1098 of the Knights of Columbus recently won the Springfield Diocese Softball Tournament. Winning that tourney, on July 29, the local squad qualified for the state tournament on Aug. 12, in which they finished third. Above, members of the team (beginning left) T.A. Feeler, District Deputy, Mike DeKuntz, Grand Knight, and Bill Bronsbauer, team manager. The Knights received the trophy from the state tournament and the plaque from the diocese tourney.

Winners named in Pepsi Run

Boy Scout Troop 13 of St. Elizabeth Church co-sponsored the Pepsi Challenge 10,000 Meter Run and a 2-Mile Fun Run with the Pepsi-Cola Bottling Co. of Alton on Labor Day.

Overall winners in the 10,000 meter (6.2 mile) run were Sam Nesbit, who took first place for the second year in the men's division, and Ang Bowker in the women's division. Pepsi-Cola Bottling Co. Vice President of Marketing Walter Milton awarded plaques to the two overall winners.

Medals were awarded to the three top finishers in each age category. In the women's, age 15 to 25 category, first place went to Miss Bowker, second to Robin Misukonis and third to Patti Wickman.

In the men's, age 26 to 35 category, Gail Taylor finished first, Sandy Hamby second and Cheryl Winfield third.

MHC boxers begin season

The Mexican Honorary Commission Boxing Team will begin workouts today, Monday, Sept. 17, at the Lincoln Place Community Center. It's the first practice of a new boxing season.

According to MHC Coach Merce Mendoza, practices will begin on Monday and continue nightly through Thursday from 7 to 9 p.m. It's the club's sixth season.

Mendoza said athletes should come prepared to begin exercises and have their own hand wraps and mouth piece.

Boxers eight years and older are welcome.

Pam Petroff finished first in the 36 to 49 age division.

In the men's, age 14 and under category, Scott Strack took first place, Ron Shambro second and Chris Petroff third.

Ronald Gompers finished first in the men's, age 15 to 25 category, while Robert Butterfield took second and Kevin Wallace third.

In the men's, age 26 to 35 category, Sam Nesbit was first, Steven Anderson second and James Faulkner third.

First place in the men's, age 36 to 49 division went to Bob Milam, second went to Pat Drayton and third to Earl Kordick.

William Gaddis finished first and Harold Baker second in the over 50 men's category.

Winners in the Fun Run are as follows: Ben Baros, first, 12-year-old J.C. Markell, second, and Skip Faureau, third. All 2-Mile Fun Run participants received ribbons.

William Zinn served as master of ceremonies for the event. Attendance prizes were presented by Scout Master Marvin Widemer.

Refreshments for the runners were provided by Pepsi-Cola Bottling Co.

Sports of all Sorts Giving a little 'Flach'

By AL BARNES
for the Press-Record

I'll never cease to be amazed at the totally lousy "coverage" of Metro East Illinois sports figures in the St. Louis Globe and Post.

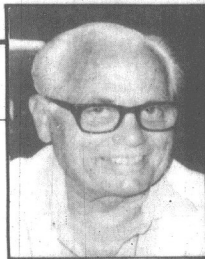

Take, for example, the recent coverage of the United States Open Tennis Tournament in New York. Ex-Southern Illinois University at Edwardsville All-American (NCAA division II) champion his final year as a Cougar, Ken Flach had just registered one of the pretigious and world-famous tennis tourney's history by upsetting India's Vijay Amritraj, in straight sets, 6-2, 7-5 and 6-1.

Just one week before, the stylish and gutsy Amritraj had shocked the international tennis world by defeating the season's No. 1 player,

John (the Nice Guy) McEnroe in the Canadian Open.

That's something only two other world tennis aces have been able to do in the past two campaigns. The Globe-Democrat, amazingly, didn't have even an agate line on the former (from Kirkwood, Mo., a St. Louis suburb) St. Louis native and ex-SIU ace truly tremendous upset. No, not one word.

And, almost as surprising was the manner in which the Post-Dispatch "kissed off" the story. In their second paragraph, they report, "And St. Louisian Ken Flach defeated Vijay Amritraj, 6-2, 7-5, 6-1. Flach attended Kirkwood High (from whence he never graduated, incidentally) and Southern Illinois University at Edwardsville (also from which he never completed his four

years)." Nearly as maddening was the manner in which the announcers from C.B.S. TV handled the match itself, live and during the match. Said the announcer, "Flach is from Southern Illinois University at Edwardsville, a school more noted for its soccer teams than tennis, etc." Not a word about the SIUE's seven straight NCAA division II national championships. Boy, oh, boy.

At Tri-City Speedway Utley wins modified feature

By JOE SENTER
for the Press-Record

GRANITE CITY — Tom Utley from St. Louis, Mo. outgunned the point leader, Bo Smith of St. Charles, Mo., Friday night at Tri-City Speedway.

Utley, driving a 1983 Firebird, simply outman Smith for the Modified Stock Car Feature win making it his third feature win of the season. Smith has won nine feature events and was trying to make it 10.

Utley took the lead in turn two on the first lap and held on as Smith chased him in the modified feature.

Bo Smith won the heat race and the trophy dash. Utley finished second in the heat race, Marty Smith was second in the dash.

Lou Pritz won the sportsman's feature event followed by old timer Charlie Johnson.

Johnson, from Waterloo, hasn't been racing for a few years finished well as he also won the heat race. Pritz won the trophy dash with Johnson second. This was Pritz sixth feature win of the '84 season.

Darrell Hoffman of Miltstadt won the street stock car feature followed by Jim Wilson of Granite City and Dave Hearty third from Cahokia.

Charlie Day of East Alton, won the heat race followed by Sharon Rhoads in a Camaro.

Next Friday night will be the final weekly race for points for the season for the share of the \$10,000 point fund money and will be a special late model stock car race featuring stock cars and drivers from many states.

On Oct. 6 and 7 there will be a

Gateway "Miller Beer" dirt modified and sportsman's race and street stock cars, with \$2,000 going to

the modified feature winner on Sunday, Oct. 7th, \$500.00 going to the sportsman's feature winner

SEMC honors candy strippers at banquet

The annual St. Elizabeth Medical Center (SEMC) Candy Stripper Awards Dinner was held recently at the hospital. Eighty young people were honored for their contributions to the medical center.

The invocation was given by the Rev. Jim Wasser, chaplain at SEMC. Awards were presented by Steve Nunter, assistant vice-president of marketing and planning; Sister Jerome, candy stripper supervisor; and Sister Mary Thomas, president of SEMC.

Entertainment was provided by the G-Force Dancers, a breakdancing group. Group members re Mark Miller, Darren Miller, Matt Miller and John Donjouan. The group is managed by Joe Donaldson.

Three of the honorees provided the "Candy Stripper Caper." Debbie Burmeister, who received an award for working 100 hours, played a violin solo, "Gavotte in D Major." Martin Coopwood, a 300-hour honoree, performed "Sunrise, Sunset" on the flute. Mary Causey, who was honored for contributing 100 hours, dedicated a piano concert to of her own composition to Sister Jerome.

Three 1984 high school graduates were given special recognition: Todd Miller was recognized for working 500 hours; Sonja McHenry was congratulated for accumulating 603 hours, and Paula Brown was honored for working 948 hours.

Other candy strippers who received recognition were:

Shoplifters make get-away to Venice

Despite alert customers following a getaway car used by two shoplifters, the man and woman allegedly involved were unable to be located last week following an incident at K-Mart Discount Store, 3635 Nameoki Road.

An assistant manager told Granite City police a black woman walked through the checkout lanes carrying a blue bag full of items and kept going toward the front door when asked about paying for the merchandise.

After security personnel were notified, the woman started running outside and dropped the bag. At which point a black man picked up the bag and the couple got into a vehicle without license plates and drove south through the parking area.

Several cartons of cigarettes and some wrapping paper were among the items noticed in the bag, it was reported.

A customer seeing the incident in the parking lot, followed the vehicle south on Madison Avenue, west on Niedringhaus Avenue to Illinois Route 3 and south to Broadway in Venice, where the car turned east. Venice police search the area but were unable to locate the suspects, it was noted.

The woman being sought was about 25 years old, 5 feet, 3 inches tall and weighed around 135 pounds. Her shoulder-length hair was parted in the middle and she wore jeans and a red top.

The man involved was between 29 and 32 years old, 6 feet, 1 inch tall, weighed about 180 pounds and was wearing glasses, jeans and a white T-shirt.

Alleges damage to post office

Kathy S. Thomas, 26, of 4036 Kathy Drive, Pontoon Beach, was charged with criminal damage to property last week, after allegedly damaging a door at the Granite City Post Office, 2330 Madison Ave.

A post office employee said a woman came to the door after the 5 p.m. closing time and demanded to pick up a package. She was told repeatedly that the facility was closed and allegedly became very angry and insisted upon seeing a supervisor.

When the employee left to get a supervisor, he alleged hearing glass breaking and saw the woman run from the broken door, get into a car and leave, heading south on Madison Avenue.

About an hour later, while checking on an accident victim at St. Elizabeth Medical Center, an officer learned a woman was being treated in the emergency room for a cut to her foot.

Mrs. Thomas was questioned and taken to police headquarters, where the charge was filed. She was released pending a hearing, after posting a \$102 cash bond.

ARREST FOR AUTO SCRATCH

Marty G. Johnson, 35, of 2400 Grand Ave., Apt. 1, was arrested last week at 25th Street and Delmar Avenue shortly after a large scratch was inflicted on the surface of a 1977 Buick. The car was parked in the carport of Robin Bodkins, 2445 Cleveland Blvd. Booked for criminal damage to an auto, Johnson was freed on \$52 bail.

Weddings & anniversaries

Mr. and Mrs. Erik Sirevaag
Sirevaag-Turner

Miss Anita Turner, daughter of Mr. and Mrs. Raymond Turner, 2529 Baenger Ave., and Erik Sirevaag, son of Mr. and Mrs. John Sirevaag, 2831 Twenty-eighth St., Rock Island, Ill., exchanged wedding vows at 6 p.m. on Aug. 17 at the Old Cathedral in St. Louis.

The Rev. Joseph Pins officiated at the service.

Escorted the altar and given in marriage by her father the bride wore her mother's wedding gown.

After the religious ceremony guests were received at a reception held at Augustine's Restaurant in Belleville.

Beth Ann Turner, a sister of the bride, was maid of honor and bridesmaids included, Toni Simurda, Jan Gruyer and Rebecca Prosser.

The groom selected Tom Love as his best man, Edward Hiller, Paul Zelenty and Eric Johnson, were groomsmen.

John Bischof seated the guests and servers during the ceremony were Jeff and Jim Loyet, cousins of the bride. Duane Munie, the bride's godfather, served as liturgy reader.

The groom's parents entertained members of the bridal party at a dinner hosted at Lemp Mansion Restaurant in St. Louis, on the night before the wedding.

A 1977 graduate of Granite City High School North, the bride also graduated from St. Louis University in 1981 with a B.A. degree in biology, and B.A. and M.A. in Psychology. She is presently attending the University of Illinois as a graduate student and teaching assistant.

The groom was graduated from Rock Island High School in 1977, Washington University in 1981 and is also enrolled at the University of Illinois as a graduate student and teaching assistant. He received a B.A. and M.A. in Psychology.

They are now residing in Champaign, Ill.

Mr. and Mrs. Edward Benko
Benko-Grider

Miss Sarah Lynn Grider, 2816 Nameoki Drive, became the bride of Edward Alan Benko of Granite City, on Aug. 18 at the Second Baptist Church, 2100 Illinois Ave.

The Rev. Carl Watkins officiated at the 3 o'clock afternoon ceremony. Organist Nancy Webb accompanied Nick Poplichak as he sang, "The Rose" and "Sunrise, Sunset."

Parents of the bride are, Mr. and Mrs. Andy Mamane of Los Angeles, Calif., and the groom is the son of Mr. and Mrs. Steven Benko, 2800 Nameoki Drive.

Immediately following the service a reception was hosted at the Lion's Club in Madison.

Debbie Scott attended the bride as

honor attendant with bridesmaids, Carla Evans and Jane Lill, a sister of the bride.

Amy Lill, another sister of the bride, was the flower girl and Stephen Benko, a nephew of the groom, served as the ring bearer.

The groom chose Bret Milton as best man, Steve Benko, a brother of the groom, James Bledsoe, Terry Green, brother of the groom, and Earl Dothage, a brother-in-law, completed the corps of groomsmen and ushers.

Diane Bonds, a sister of the groom, registered the guests.

A 1980 graduate of Granite City High School South, the bride is employed as a utility clerk at Borg-Warner Accept Corp.

The groom is working as a computer operator for Amedco Steel and is a 1976 graduate of Granite City High School South.

They are now residing in Granite City.

Mrs. Karen Cavins is shower honoree

A surprise baby shower was given at St. John United Church of Christ Fellowship Hall to honor Mrs. Karen Cavins.

Hostesses, Dawn and Kim Cavins decorated the tables with Teddy Bear motifs.

During the social event another surprise for the honoree was the arrival of her sister, Cheryl Arcolano from New York City, N.Y.

After the guest of honor opened her gifts, games were played and prizes awarded to the winners. Refreshments were served, by the hostesses, to 25 guests.

Mrs. May Ebling entertains club

Mrs. May Ebling, 2910 Denver St., entertained members of the Bunko-Ettes Club in her home, last week.

Those winning prizes for the evening were, Wanda Puhse, Rose Druhe, Helen Lipchik, Ruth Partney and the hostess.

Refreshments were served by the hostess to those mentioned and to Leona Delaloye and guests, Nelda Wills and Diane Swift.

The wedding of Miss Sarah Jane Leitner, daughter of Mr. and Mrs. Eugene Leitner, 228 Commercial St., Edwardsville, and Thomas D. Wilkerson, son of Mr. and Mrs. Leslie R. Wilkerson, 4020 Park Lane, was solemnized on Aug. 4 at Eden United Church of Christ in Edwardsville.

Nuptial selections were furnished by Organist Julia Bradley and Nick Poplichak, soloist.

The Rev. Herbert Stiemler and the Rev. Charlotte Zachary performed the 6:30 evening ceremony.

Guests were received at a reception given at the Cottonwood Banquet Center in Edwardsville, immediately following the service.

After a wedding trip to Louisville, Ky., the newlywed couple is now residing in Collinsville.

Miss Marty Leitner, a sister of the bride, served as maid of honor and Margaret Gehling, the groom's

sister and Carol Depping, were bridesmaids.

Kevin Shaffer attended the groom as best man, George Wilkerson, a brother of the groom, and Kevin Paterson, were groomsmen.

Seating the guests were Victor Gehlin, a brother-in-law of the groom, and John Verschuyl, and candlelighters included Mike Mennerick and Glenn Schubert.

The bride was graduated from Edwardsville High School in 1980 and from Southern Illinois University at Edwardsville, this year with a bachelor of science degree in elementary education.

A 1975 graduate of Granite City High School North, the groom, also graduated from SIUE in 1980 where he earned a bachelor of science degree in business administration. He works for the Missouri Pacific Railroad in St. Louis as a computer programmer and is a member of the band known as "Horizons."

Navy Mothers receive national recognition

Quadrant Navy Mothers, Chapter 850, received 100 percent recognition in three categories, naval, veteran and general at the National Convention, according to Commander Clara Layton, local officer.

Chapter 850 also received ribbons, certificates and other awards, the commander noted.

After a discussion of a forthcoming rummage sale, the members agreed to sponsor the fund raising project on Sept. 25-26 from 9 a.m. to 3 p.m. at 2228 State St. Many miscellaneous items, clothes and home accessories will be displayed for sale, Mrs. Layton said.

Proceeds will be used to further

the chapter's welfare programs.

The group also voted to donate \$100 to the VFW for their welfare work.

During the social hour all members exhibited craft items with detailed instructions for creating the article and they held a sale. All monies made from this in-club event will also be used for welfare.

The mystery package and traveling basket was won by Hazel Jones and the special prize went to Nina Matsinger.

The next session is scheduled for Sept. 27 at VFW Hall. All prospective members and associate members are invited to attend.

Church Activities

'Camp Meeting 84' opens at Tri City Park Tabernacle

Tri City Park Tabernacle, 3400 Maryville Road, will be the site of an 8-day spectacular "Camp Meeting '84," according to Rev. James Parks, host pastor and coordinator of the event.

Beginning Sept. 23 and going through Sept. 30, Tri City Park will be hosting the religious event and revival, commented Rev. Parks.

The project will include nationally known evangelists as keynote speakers and contemporary christian music artists.

Beginning Sunday, Sept. 23, the Rev. Tim Bagwell will be ministering in the 10:30 a.m. service and every evening through Sept. 26, at 7 p.m.

Bagwell has recently conducted an 8-week revival at Melody Lane Christian Center in Anaheim, Calif., and he pastors the Word of Life Church in Kokomo, Ind., and has been a guest on the PTL Club television show.

"The Happy Goodmans," will be ministering in song Sept. 24, 25 and 26 at the 7 p.m. services. Howard and Vestal Goodman are well-known throughout the gospel music world and have appeared numerous times on national television shows and national revivals and camp meetings. Their music ministry has spanned over 40 years, and they have been nominated for the coveted Dove Award, one of gospel music's highest honors.

A prophecy conference will be conducted at 10:30 a.m. Sept. 24 through Sept. 28, by Rev. Harvey Smith, an authority on the subject. Well known in the St. Louis area, Rev. Smith has conducted many trips to Israel and the Holy Land.

On Sept. 27 and 28, the Rev. Marvin Gorman will speak in the 7 p.m. service. Rev. Parks reported Rev. Gorman is a nationally known pastor, evangelist, and television personality. Host of the Good News America radio and television program, Rev. Gorman is seen daily in some 400 U.S. cities. Since 1965, he has been pastoring the First Assembly of God Church in New Orleans, La., where he ministers to more than 6,000.

Saturday, Sept. 29, in the 7 o'clock Youth Rally, Andrew Culverwell, a well-known contemporary christian artist will be leading the music session. Culverwell, a seasoned veteran of the American Christian music stage, is originally from England. He began touring as a soloist at age 17, and spent four years on the British gospel circuit. Andrew's unique singing ministry and ability to communicate has brought him to churches throughout American, Canada, Europe, Australia and the Middle East. He has also been a frequent guest on PTL Club, 700 Club and Hour of Power.

The climax on Sunday, Sept. 30, will feature the music of Mike Adkins and the ministering of Rev. Ernest Moen in both of the 10:30 a.m. and 7 p.m. worship services. Adkins is a sacred singer and

songwriter recording many of his own compositions in his albums. He is originally from West Frankfort, Ill. and has appeared on national television several times, and is an evangelist with an inter-denominational ministry of praise.

Rev. Ernest Moen, the keynote speaker on Sunday, Sept. 30, is the Illinois District Superintendent of the Assemblies of God and has recently come from pastoring in Rockford, Ill.

In addition to these national guests, Don and Lynda Stratton will also be ministering in song throughout the 8-day affair, along with the 40 member Tabernacle Choir. Rev. Parks added.

The week-long event is free of charge and the public is invited to attend. "I would advise everyone to come early to get a seat, the auditorium seats 700," Rev. Parks stated. The two Sunday morning services begin at 10:30 a.m. and the evening services all begin at 7 p.m.

Betheny Class elects new 1984-85 officers

Mrs. Virginia Arakaki was re-elected president of Betheny Class of Emmanuel Baptist Church at a meeting last week, conducted in the home of Mrs. Marvel Walker, 2161 Dawn Place.

Others to serve for the ensuing year are: Evelyn Sadler, vice president; Kathy Sargent, secretary-treasurer; Hilda McMaisters, chairman of outreach committee and Eva Godwin, cheer chairman.

Opening prayer was offered by Mrs. Barbara Mullis followed by a report submitted by Mrs. Sargent.

Members agreed to hold future class meetings on the second Tuesday of each month and issued drawing secret pal names at the December meeting.

They also formulated plans for a Christmas party to take place at Ginger Creek Inn in December.

Mrs. Walker, the class teacher, gave the devotional lesson on "Abraham's Faith" followed by refreshments.

BAPTIST YOUTH PICNIC IN MISSOURI PARK

The Youth Group from First Baptist Church participated in a trip to Missouri where they had a picnic luncheon at Elephant Rock State Park and then motored to Johnson Shut-Ins for an afternoon of swimming.

Attending the summertime event were: Charles and Donald Graham, Dennis Weingartner, Melba Topal and Eric and Betty Homyer, the latter serves as youth leader for the group.

BAZAAR HANDICRAFTS are displayed by members of the St. Margaret Mary Catholic Church Ladies Club. They will offer the items for sale at the annual chicken dinner and bazaar from 11 a.m. to 6 p.m. Sunday, Sept. 30, at the school cafeteria. From left are Bonnie Miller, Marlene Dickerman, Mary Ann Svezia, Francie Brown and Sue Moll.

SIU approves budget for campuses

The Southern Illinois University Board of Trustees Thursday approved a \$286.5 million operating budget for the Carbondale and Edwardsville campuses and Office of the Chancellor, based on state appropriations and anticipated non-appropriated income for Fiscal Year 1985, which began July 1.

The budget, which reflects an increase in \$20.1 million or 7.4 percent over last year, is based on estimated income of \$182.8 million from state appropriations and \$103.7 million in non-appropriated funds.

OF THE STATE appropriations, which account for about 64 percent of the total operating budget, the Carbondale campus will receive \$129.1 million, an increase of 6 percent over last year, while the Edwardsville campus will receive nearly \$52.2 million, an increase of about 4.6 percent, and the Office of the Chancellor will receive nearly \$1.5 million, an increase of 42 percent, but if the transfer of the audit function and associated retirement

funding were not included, the change in the Chancellor's Office would be \$48.4 thousand or an increase of 4 percent. All of the figures include retirement fund contributions.

State appropriated funds consist of general revenue funds (tax dollars) and income fund collections, derives primarily from tuition and fees. General revenue funds will support slightly over 49 percent of the projected FY '85 budget, while income fund collections are expected to support about 14.7 percent.

The remaining 36.2 percent of expected revenue comes from nonappropriated funds.

Projected nonappropriated funds represent a net increase of \$10.3 million or 11 percent over last year, while the Carbondale campus budgeted for an increase of \$6.6 million or 8.9 percent over last year, while the Edwardsville campus is budgeted for an increase of \$3.7 million, a gain of about 19.5 percent.

FUNDS IN THE nonappropriated

category include revenues received in support of research and other programs sponsored by governmental entities and private foundations and corporations, revenues received as reimbursement of indirect costs on sponsored programs, income from operation of revenue bond financed auxiliary enterprises, principally housing and student center operation, and revenues from other self-supporting auxiliary enterprises and activities which are funded primarily by student fees and operating charges.

The increase in state appropriated funds provides salary increases of approximately 5 percent but no funds for general cost increases, except 3 percent for the Office of the Chancellor to offset projected cost increases in rental charges and telecommunications. However, university officers said utility costs continue to be a major concern, with budget increases of eight percent for natural gas, 10 percent for electricity and six percent for all other utility

expenditures. Also included in the budget is a 10 percent increase in library costs.

The budget includes nearly \$1.9 million to improve the quality of academic programs, with \$1.4 million for SIU at Carbondale and \$447 thousand for SIU at Edwardsville.

ALSO INCLUDED are a number of adjustments to the FY '84 budget, including a negative comparative cost analysis department of \$205,700 for SIUE; positive adjustments of \$619,500 for SIUC and \$73,100 for SIUE for cost and salary increases and some program expansion in cost recovery instructional programs; negative adjustment of \$225,000 for the SIU School of Medicine and \$200,000 for the SIU School of Dental Medicine; and adjustments resulting from the transfer of the audit function from the campuses to the Office of the Chancellor, negative adjustments of \$250,900 for SIUC and \$111,100 for SIUE and a positive adjustment of \$362,000 for the Chancellor's Office.

Capital budget priorities set for FY '86

A \$596,800 renovation and remodeling project at the East St. Louis campus of Southern Illinois University at Edwardsville is the capital budget priority list for the SIUE System for Fiscal Year 1986, approved Thursday at the SIU Board of Trustees.

The board had approved preliminary findings by each university in July and has now approved a system priority listing and submission to the Illinois Board of Higher Education (IBHE) as part of the

Resource Allocation and Management Program.

THE REQUESTS for the SIU System total \$11.6 million, including \$1.5 million in energy conservation and \$1.3 million in food production projects, which are listed separately at the request of the SIUE regular projects. SIUE is seeking funding totaling \$6.9 million, and SIUC a total of \$1.8 million.

University officers said the list represents one of the lowest levels of state capital budget requests sub-

mitted in recent years and reflects current fiscal limitations caused by the recession and by changing federal funding policies. They added that many of the proposed projects are concerned with severely needed remodeling and renovation to preserve existing facilities, with energy conservation, or with food production and research.

The project with the highest system priority for FY '86 would replace a badly deteriorated roof and associated coping and allow repairs to extensively deteriorated exterior brick walls at the Broadview Building in East St. Louis. In addition, the project would complete remodeling on all or parts of five buildings at SIU at Carbondale and \$34,000 for remodeling plans for Federal Hall, SIUC, followed by \$2.3 million for property acquisition at the School of Medicine in Springfield, \$325,500 for planning the remodeling of the property, and \$30,000 for planning remodeling pro-

ject in the Communications Building at SIUC.

The sixth priority was assigned to an SIUE project which would provide \$405,900 in planning funds for a permanent facility for studies and offices for the department of art and design. Other SIUE projects on the system priority list are:

No. 10 - East St. Louis Campus dental clinic expansion, \$58,200; No. 12 - Alton Campus remodeling, Phase 1 - \$148,200, and No. 14 - Lovejoy Library carpet replacement, Phase 1, \$109,500.

OTHER SIUC projects and their priority rankings include: No. 7 - rehabilitation of farm buildings, \$75,000; No. 8 - fire alarm rehabilitation, \$180,000, and minor renovation projects, \$140,000; No. 9 - handicapped access, Life Science 1, \$84,400; No. 11 - electrical remodeling, \$275,000; No. 15 - handicapped access, Wheeler Hall, \$260,900; No. 16 - handicapped access, elevators, three buildings, \$275,000; No. 18 - library air conditioner rehabilitation, \$1.8 million; No. 17 - Wheeler Hall renovation, \$128,400; No. 19 - Anthony Hall air conditioner rehabilitation, \$120,000.

Classes at East St. Louis campus announced

Southern Illinois University at Edwardsville will offer 12 courses for academic credit at the East St. Louis campus during the fall quarter.

The School of Business will offer three courses, including Principles of Income Taxation (ACC 221 Section 951), Word Processing Operations (AD, S 310 Section 951) and Management Information Systems (MIS 381 Section 951).

SESSIONS FOR Principles of Income Taxation will meet Saturdays from 8:30 a.m. until noon in Room 3002. Word Processing Operations classes will meet Saturdays from 8:30 until noon in Room 1008. Management Information Systems will meet Saturdays from 1

until 4:30 p.m. in room 3003.

The School of Education will offer two courses at the East St. Louis campus during the fall quarter. They include: Social Studies in the Elementary School (EDEL 343 Section 951) and Early Childhood Education Field Study (EDEL 433G Section 951).

SOCIAL STUDIES in the Elementary School sessions meet Saturdays from 8:30 a.m. until noon in Room 3006. Classes for Early Childhood Education Field Study meet Fridays from 9 a.m. until noon in Room 3002.

The School of Fine Arts and Communications will offer one course, Applied Theater (THEA 300A Section 551). Classes will meet Mondays and Wednesdays from 4:30 until 6:20

p.m. in Room 1013.

The School of Humanities will offer a course in the Modern American Novel (ENG 440 Section 951). Classes meet Saturdays from 8:30 a.m. until noon.

THE SCHOOL of Nursing will offer two courses at the East St. Louis campus during the quarter. In interpersonal Relations I, NURS 221 Section 551, and Interpersonal Relations II (NURS 222 Section 551). Interpersonal Relations I classes meet Thursdays from 4:30 until 6:20 p.m. in Room 3006 during the first five weeks of the term, while Interpersonal Relations II classes will meet at the same location during the same hours for the second five weeks of the term.

Child care center to be built at SIUE

A capital project to construct and equip a child care center on the Southern Illinois University at Edwardsville campus was approved Thursday by the SIU Board of Trustees. Total costs for the project are estimated to be \$280,500.

University officers said the project, to be funded by a combination of SIUE Student Welfare and Recreation Facility Trust Fund (SWRF) monies and state appropriations, will be constructed in the area south of the campus water tower and north of Circle Drive. The 5,000-square-foot facility will have an adjacent 7,500-square-foot play-yard, allow-

ing 100 or more children to receive care.

CURRENTLY, the university offers limited child care services through two operations. A facility at Tower Lake Apartments provides a limited drop-in service for residents of the housing complex, and the Early Childhood Center provides half-day child care for a limited number of children. University officers said the combined capacity of the two operations does not meet current demand for child care by SIUE students. Because of space limitations at both facilities, neither

operation can offer full-day child care services, and neither can be made financially self-supporting because of limits on the number of children who can be served.

Projected operating expenses and fee schedules for the new center indicate that the facility will be self-supporting. Service priority will be given to SIUE students and then to the children of faculty and staff if any excess capacity exists.

University officers said the demand for child care services by SIUE students is expected to continue to grow because of the trends for increasing higher education participation by older people, particularly women, the increasing number of families headed by one parent, and the increasing number of families in which both parents work. Area child care services reportedly are operating at or near capacity, and many, including SIUE, have waiting lists.

The SIUE Student Senate has approved the use of \$180,000 in SWRF funds for construction of the facility. The balance of funds needed will come from state appropriations. The plan will be submitted for approval to the Illinois Board of Higher Education as a non-instructional capital project.

BAC to host agronomy field day

Belleville Area College (BAC) will host an agronomy field day Thursday, Sept. 20.

The program will begin at 9 a.m. with registration just west of the tennis courts. Donuts, milk, juice and coffee will be service.

AT 9:30 A.M., a tour of the demonstration plots at BAC will be given. Highlights will include soybean varieties, 75-day corn (double crop) and milo double crop, short seasons versus full season.

Pesticides also will be covered including contact herbicides, translocating herbicides, postemergence herbicides, pre-

emergence herbicides and surfactants (crop oil, wetting agent). Insects and insecticides will be covered.

Methods to increase field fertility will be discussed including anhydrous ammonia, 28-percent solution and soil testing and soil build-up.

THE PROGRAM will conclude at 11:30 a.m. Participants may then eat in the BAC cafeteria or tour the facilities. An agriculture student will be available to show them around.

Free motorcycle class set at SIUE

The last free motorcycle riding course for 1984 will be offered at Southern Illinois University at Edwardsville beginning Sept. 21.

Course 16 will meet Sept. 21, 22 and 23, Friday from 5:30 to 9:30 p.m. and Saturday and Sunday from 8:30 a.m. to 12:30 p.m. and 1:30 to 5:30 p.m.

Motorcycles, helmets, and insurance are provided free. Students enrolling must be at least 16 years of age. Each student must also be an Illinois resident and possess a valid drivers license or permit. Sixteen and 17-year olds can use this course to obtain a Class M license.

For registration information, students may contact Juanita Gosch, SIUE, at 1-602-2660. For further information on the Motorcycle Safety Program, students may contact SIUC-C toll free at 1-800-642-9589.

THE LAW AND YOU

BY RICK REED

Statistics indicate that nearly half of the 2,000 traffic fatalities in Illinois in a given year are alcohol-related fatalities. A motorist in Illinois who is stopped by the police with probable cause can be charged with driving under the influence (DUI). A conviction on this charge will result in the automatic suspension of an individual's driving privileges and will also result in a sharp increase in automobile insurance rates for many years. In addition, these penalties have now been changed to six months for the first refusal and twelve months for the second.

Let's take the example of a person arrested by the police and charged with improper lane

usage, reckless driving, and driving under the influence. In addition, when taken to the police station the individual refuses the breathalyzer. There are several ways this person could lose his driving privileges.

If convicted on all three charges there would be an automatic revocation of the driver's license in that this would result in three month violations within a twelve month period. As previously noted, a conviction on the DUI alone would also cause the person to lose his license. Finally, a separate hearing will be held to determine if the arresting officer had probable cause to stop the vehicle and if the person did in fact refuse the breathalyzer. If the answer to both of these questions is in the affirmative, then the person's license will be suspended for six months.

In light of the severe penalty for refusing the breathalyzer and in light of the policy of most States attorneys to not plea bargain with regard to a breathalyzer refusal, one would have to think twice about refusing this test. If a person takes the breathalyzer test, even while intoxicated, he still has a better chance of keeping his license than if he refuses the test.

Young Careerist candidates sought

The Gateway Business and Professional Women's Club is seeking candidates for its Young Careerist Woman Program, it was announced today by Barbara Hodges, club president.

Prospective candidates are not required to be a BPW member, but must be between the ages of 21 and 30 and have at least one year of full time business or professional experience in her career area.

Applications or further information may be secured by potential contestants or their employers by calling Dee Hoover, Young Careerist chairman, after 5 p.m. at 876-2252, or by writing the chairman at 2213 Washington Ave.

The deadline for entering the contest is Oct. 12.

Candidates are required to present a three-minute speech on the topic, "Young Careerists Focus on Tomorrow."

The Young Career Woman Program is presented under the auspices of the National Federation of Business and Professional Women to honor successful young career women in various career fields.

Those participating should support the goals, objectives and legislative platform of the National BPW, Mrs. Hoover explained.

GC Rules of the Road course set

Madison officials to hand over documents

By SUSANNE INDELICATO

Madison city officials have agreed to provide financial documents and records, some going back five years, to Police Benevolent and Protective Association Unit 110 Attorney Thomas Sonneborn. Sonneborn requested the documents under the Illinois Freedom of Information Act and the Local Records Act in a letter dated Aug. 14.

At its Aug. 28 meeting, Madison City Council members voted the matter to City Attorney Casper Nighossian.

Sonneborn told the Press-Record last week that Nighossian contacted him and said that the city will provide the records, with two objections. "I want to see in writing what those objections are before I comment on them," he stated.

City officials have seven days to comply with the request, but the time limit has expired. But Sonneborn says he is willing to make a concession on that point, since the city has voluntarily agreed to supply the documents.

He added that he expects to receive the requested records this week. If he doesn't receive them, however, he says, "I'm prepared to go to court." State law allows him to go to court to obtain an order that the city turn over the documents.

The request, Sonneborn confirmed, was on behalf of the Police Benevolent and Protective Association Unit 110 in Madison. Unit 110 President Tom Voloski has said the association wants to review the documents to ascertain why no raises are available for policemen.

Madison police were granted a six percent wage increase in mid-July, with the increase retroactive to May 1. But Sonneborn said the increase was not enough. He said that the police officers had gone four years without a pay raise. "An even greater problem is the question of manpower," he said. "At various times there's only one person on the streets and the officers are working longer hours."

Sonneborn has requested the following information on behalf of the police officer's association: copies of all financial documents relating to the cable alarm system in Madison, and financial documents concerning revenues and expenditures involving the city's utility tax during the past five years.

In addition, Sonneborn has requested copies of all agreements, contracts and transactions in the past 10 years between the city of Madison and (Mayor) Michael Sussman or any other entity in which he or a member of his family has a legal or equitable interest.

Additional requests include records of all expenditures for the past two years, revenues and expenditures pertaining to the motor fuel tax, travel expenses for city officials and financial data relating to the cable television system.

VANDALS ENTER, DAMAGE DWELLING ON EAST 25TH

Judy Gallas of O'Fallon advised police last week that vandals had entered and damaged the interior of a vacant home in the 2300 block of East 25th Street. The property belongs to a relative, she said.

Those responsible got in two cellar-type doors and then forced a basement door, and reports said. Paint was poured down the stairs to the basement and a hammer apparently was used to pound holes in the living room, bedroom and kitchen walls. A thermostat also was damaged and a bathroom door was forced off its hinges, the report said.

CHECK IS MISSING

Rozelle Williams, 86, Garesche Home, Madison, reported last week that a payroll check for \$180 was missing from his auto during the time the vehicle was left in a parking lot at the housing complex.
